"Project" Subscription Form

"The British Empire is the Central Phenomenon of World History Since the Decline of the Vatican"

Yes!! I want to receive "The Project," an Executive Summary of an on-going private research network dedicated to applying the scientific method (testing of inductive hypotheses with empirical data) to conspiracy theories of history. Current hypotheses revolve around probing the London-centered world money cartel and its apparent ancient enemy, the Vatican. "The Project" appears 10 times per year for political activists, investors, futurologist, students of espionage, students of Religion, and others who can benefit from serious, advanced ruling class/conspiracy scholarship.
