Dear Grace,

Thank you for your inquiry about our publications. Enclosed are several back issues of our monthly magazine "Emancipation" which is produced by the D.C. area group. I also enclose an advertisement for "Social Anarchism" which is published by an AA group (Research Group 1) in Baltimore. I hope you find them useful.

Subscriptions to "E." are $10/year for libraries, and complete bound back volumes of "E." are available if your library is interested.

Peace & Anarchy,

Scott Rodell
