The purpose of THE KINGDOM MESSAGE is the adequate presentation of Bible Christian Truth...Themes calculated to present the Truth for this present moment in time...

The Divine Order is..."*Preach the Word!*."

The Holy Scriptures and the Person of the Lord Jesus Christ are so inseparably bound together, that whatever impares the integrity and authority of the one correspondingly affects the other.

The Written Word is the Living Word enfolded: The Living Word is the Written Word unfolded.

Christ is the Cornerstone of all faith, but that Cornerstone is laid in Scripture as a bed-rock, and to disturb the Scripture authority unsettles the foundation of the believer's faith.

Modern rational 'higher criticism' began by NOT believing Moses writings. Then it assailed the testimony of the Prophets. From there it proceeded to undermine the authority of Christ's words. And last, it had and has no confidence in His Resurrection from the dead!

What religious trash is this to present to a dying Nation such as ours?

In preaching KINGDOM TRUTH we understand the supreme importance of Prophecy... It is the story of one man's family...ABRAHAM'S 'seed'.

It is the link between the written and the living Word. Prophecy in its larger sense, covers two-thirds at least of all Scripture. Prophecy is preceptive---the result of insight into truth as well as foresight of the future. A Prophet is one who SPOKE IN BEHALF OF GOD.

Preaching is the great feature of our Christian worship!

The Christian Preacher is not the successor of the Greek Orator, but of the Hebrew Prophet!

The Orator comes with human emotion, the Prophet comes with Divine Revelation!

The business of the Prophet is to make men realize from the Word a world unseen and spiritual...

He has to tell them their natural resources are inadequate for the struggle....He must tell them they must have Supernatural aid.

That our whole Message is--- "*Not by might, nor by power, but by my spirit sayeth the LORD of hosts.*" *Zech 4:6*

The Pulpit has a WORD, the Press & Politics has none...

SOMEHOW MODERN PREACHERS NEVER SEEM TO GET THE MESSAGE...

"I GET THE FEELING YOU DON'T SPEND A LOT OF TIME IN YOUR STUDY."
