chev and Brezhnev, have plainly stated they are not political, why has the IRS afforded the Communist Party the luxury of a tax-exempt status on the grounds that they are a political party?* Has the Internal Revenue Service done this in innocence, or is it knowingly a part of the insidious, one-world regime that God calls the antichrist? It is, and if they continue to do so and will not..."**...Come out of her, my people..." (Revelation chapter 18, verse 4)**; it is written in eternity on the last day that they shall be found guilty (by the higher power, God), guilty by association.

Catholic European international bankers (who run our Federal Reserve System in America from their world headquarters in Rome) have placed specially trained agents in America and around the world into the mass media, government, the judicial system, liberal churches, unions, and business, so that they, the Catholic international bankers, can control everyone in the world. This is why Catholic communism's corruption in the U.S. is permitted to grow unrestrained and unrestricted. Catholic communism is now being used to overthrow constitutional governments and fundamental churches. God tells us of this in His Word: one-world government (the U.N.), one-world church and United Churches, the Vatican antichrist. It is written that there would be a man with a few subjects that would engineer the world government and the apostate church into oneness. Are we seeing this happen, just before Jesus returns to earth? Could it be that some of us are caught up innocently, having not been told of the most diabolical plan the evil one has conjured up? Are we helping him make ready his throne so that he may sit down and crow for a short time until he, by God, is thrown into the eternal pit with them that will not sever themselves from this sinful, hated-by-God movement? Will you separate yourself from his plan, or will you be with him when he is thrown down to hell and judged guilty by association?

This satanic one-world government headed by the Pope in Rome, leagued with Satan's one-world apostate church also headed by the Pope, has taken away almost all of the deceived people of the world's freedoms, such as jurisdiction and parentship over their children, and now by attacking the world's spiritual freedoms to worship God after His commandments, which tell us that our children are subject unto us, the parents, just as Jesus was subject unto Joseph and Mary. Jesus, being God, taught us and our children this lesson by being God, but as a child, subjecting Himself to His parents under the discipline of God's Word. These one-world dogs (and Jesus calls them "dogs") would make us slaves by devising laws compelling us to show fellowship toward and support sin and those with whom God commands us not to mingle, such as homosexuals. If we submit to this we will allow them (the dogs) to destroy our everlasting, eternal souls. Then to seal this, the dog's plan (our present day, one-world government and church combo, the antichrist) is to first ask, then later compel us to take what God calls the mark of the beast. This is happening right now. If we take this mark, we will surely go to an everlasting hell. If we take Satan's mark on us, so that we can buy and sell in this temporal life, God says we are renouncing everything that God has for us eternally in heaven, in the forever life. We must take a stand this time and not go with the crowd. We must not fail and associate ourselves with this evil plan. We must deny the tempter's plan that we may be crowned for the race we ran. If we don't, God's Word does not return unto Him void **(Isaiah chapter 55, verse 11).** His word is settled in heaven **(Psalm chapter 119, verse 89).** We just cannot allow ourselves to be guilty, guilty by association.

After all these things have been accomplished, the Vatican international conspirators, dreadfully driven by the spirit of Satan, who now hide in the background using the Catholic communists as their front men, will come forward to take over. Some of you who receive truth will be able to see the chief trickster, Satan himself, embodied in the antichrist, sitting down on the throne in the temple in Jerusalem. He will actually say that he is Christ, and he will use the world government to compel the weaklings, the people not of God, to bow down before this vile, self-appointed, false tin god. God says millions will foolishly believe him and will, because of the fear of man, bow down and worship this blasphemous, disgusting, gutterbag frog, to their own eternal destruction. Don't let it be you; don't be guilty by association.

This plot of the Pope and the Catholic European international bankers can also be found in their own false document called by them "The Protocols." These protocols were written by the Vatican with the idea to make the world believe that it is the Jews that are trying to rule the world instead of the Vatican. But of course, this is just another sinister, lying smokescreen from the Vatican, mercilessly putting the already overharassed Jewish people on the block again. Article III, Paragraph 7 of "The Protocols" distinctly says, "We appear on the scene as alleged saviors of the workers from the oppression, when we purposed to enter the ranks of our fighting forces... Socialists, Anarchists, Communists... to whom we always give support in accordance with an alleged brotherly rule (of solidarity of all humanity) of our Catholic social masonry."

Unions and multitudes of Catholic-controlled federal government agencies (like the FBI and the U.S. Department of Labor) are tools that they use. This type of infiltration has been mentioned in their own Catholic Communist Manifesto. The purpose of this plan was to break the backbone of America. This plan works very well for them. Under the pretense of helping and being false saviors to the people here in America, getting us bigger wages (more money), they have made it impossible for manufacturers and business people to stay in business. The manufacturer, whom the Catholic communists call "imperialists", has to raise the price of his goods because he has to pay higher wages demanded by Solidarity (unions, false brotherhoods, bullyhood, Catholic communism, one-worldism which includes the Dept. of Labor, the FBI, the IRS, and many others that are woven into every part of the fabric of the entire one-world Catholic government false church system). Therefore, we the deceived American people, looking for bargains see that the Orient's and other foreign countries' products are much cheaper, and we carelessly and thoughtlessly buy them. Our own factories, manufacturers, and businessmen must now go bankrupt because their products sit in inventory and on showroom floors. They can't sell them because they're priced out of reach. Eighteen thousand such businesses went down the drain in the first eight months of 1982, and even more are going under today, according to news reports; meanwhile, millions of Americans are out of work. And as far as Rome, Moscow, the United Nations and its leaders, along with the Catholic international bankers that finance communism, are concerned, mission accomplished, job well done. America is on her knees. Our once great country is in near ruination. They hear our death rattle, but there is banqueting and hilarity in Rome, and in all the covens of the international bankers (Satan worshipers, the deceivers, the tricksters that are led by the prince of darkness himself).

The Catholic communists say, "Name-call the fundamentalist Bible believer; downgrade him with any name that stinks, such as cult, hypnotizer, fascist, brainwasher, kidnapper, child abuser, child molester, slave laborer, dictator, etc.--just any name that stinks (just as they did Jesus)."

I predicted in the last literature that I wrote (entitled "Tricked") that these satanic, Catholic FBI and other agents who have been given charge of many Federal and State Departments would attack me viciously through the media and Federal and State court system for exposing their satanic, above-mentioned plot to destroy our national defense and economy by condoning the murders (what they call abortions) of millions of our American youth and the annihilation of tens of thousands of our women by deceiving them through the Vatican controlled news media and motion picture industries into thinking that abortion is safe. Not only did they attack me that way, but they are still after me more than ever. These pitiful, brainwashed (by the Vatican) women think that abortion is safe because women's deaths from abortion have been coded deceptively on the death certificates so that no one can tell how many deaths caused by abortion there really are. These codes are D.E., D.C., hemorrhage, complications, dissection, etc.

The diabolical Roman Catholic U.S. Supreme Court, backed by the Pope's U.S. Federal and State governments, ruled in 1973 that an unborn child is a "non-person", and in our (we Christians) endeavor to rescue that which they call a "non-person," a great wave of false concern (harassment) arose from the department of (Socialistic, Roman) Child Welfare Services stating their concern (harassment). They insist that we have a day care center when we do not. In other words, the government is now saying that these fetuses are persons, and they have initiated an all-out campaign against us, under the guise of concern, to stop our efforts in the salvation of these millions of children's lives and tens of thousands of women's lives. Their efforts (harassments) to discourage us keep getting stronger and more powerful as our efforts to reach out to save these women and children get stronger and more powerful. For God has commanded us Christians to **"Open thy mouth for the dumb in the cause of all such as are appointed to destruction. Open thy mouth, judge righteously, and plead the cause of the poor and needy." (Proverbs chapter 31, verses 8,9) "And moreover I saw under the sun the place of judgment, that wickedness was there; and the place of righteousness, that iniquity was there." (Ecclesiastes chapter 3, verse 16).** God says, **"No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn."(Isaiah chapter 54, verse 17). "...When the enemy shall come in like a flood** (against us), **the Spirit of the Lord shall lift up a standard against him"** (God's enemies) **(Isaiah chapter 59, verse 19).** Jesus is still on the throne and Jesus said one of us shall chase a

*Up until 1987 all communist organizations were tax-exempt. Now the Internal Revenue Service has taken this exemption away. However, the Vatican communists are so entrenched into government under the guise of Republicans and Democrats that they no longer need exemptions, not to mention the government grants that are given to their "Pseudo Charitable" groups and multi-billion dollar government grants given to parochial schools and other elite Catholic communist organizations.
