and laughing stock to the whole world.

These agents of Satan that trick us have infiltrated into both branches of the political arena, knowing that their deception by doing so is complete, and they can even trick us better. That is why it is so distressful and perplexing at election time whom to vote for. As the saying goes, six of one and half a dozen of the other. When spotted and exposed, as I am now doing, they rally together in their covens and dens and plot how they might strike back. Calculated and cunning, they immediately go into action by writing up copy of artfully laid out trick words to counter any light of truth that is being shed upon them. Their trickster associates, who run trickster newspapers, T.V. and radio stations, and magazines, are most eager to take up the torch for them. Malicious maligning of character, degrading, debasing lies are a joy for them to release, for they know well that they have tricked the public for many a year, and they most certainly can trick us again. Substantiating and saying amen are their brothers in Federal government agencies designed to destroy the freedom of religion. These quickly move into action, for in their conspiracy they have found through the years that they cannot control those of us who believe in God. They summon innocents into court on trumped-up charges, using the bully and Nazi tactics that we read so much about from World War II.

Meanwhile, our nation is tricked into weakness, murder and slaughter, while our men went overseas thinking they were going to fight a war to win in defense of our wives, children, kindred, and land. We found out that we were tricked. We were not allowed to really do anything but be made gun fodder, or to watch the enemies go to and fro without any danger, because we were ordered not to do anything at all. This demoralized our armed forces and many of them turned to drugs, not being able to understand what was happening to them. Some of our volunteers who were in the armed forces at that time while over there found many weapons in the hands of our enemies with the stamp "Made In The U.S.A." on it. Their weapons and ammo were furnished by these subversive U.S. Government tricksters to destroy, demoralize, and weaken our once-great nation. In our government there are tricksters who just a few years back would have been tried and convicted of treason. During that era of time, being tricked wasn't so prevalent as it is today, because back then treason was a very serious crime. Today, we've been tricked into thinking that treason is patriotism. Again our tax dollars paid for the annihilation of our armed forces, the depletion of our manpower.

Let's quit pretending. Hiding in drugs, alcohol, or other means of drunkenness, getting involved in the many facets of entertainment or sin will not prevent reality from happening

Socialist atheists have tricked the nation into thinking that the most dangerous thing in the world is reading the Bible and praying, when in reality this is our nation's only hope. They have tricked you out of your nation. Your mind has been deceived. Will you let them trick you out of your eternal destiny with Christ? They have tricked people into doing everything opposite to what the Bible teaches, and have carefully and patiently plucked God out of people's hearts, minds, institutions, schools, and streets. Wake up! Can't you see that the world is getting worse and worse as they progress in tricking you? Do you think that by conforming to godlessness that it will make things better, or that this will help you on that great and dreadful day of judgement? Government has conformed to the wishes of the ungodly people and look how there is no more any real law as was originally written in the Bible. As a result of this, we are afraid to go out on our city streets by day or by night. How could all this be? How has all this happened? Because those who have tricked us have made a way of escape for the criminal with a device not so long ago devised: psychiatrists. Spawned by Sigmund Freud, one of the world's leading perverts (admittedly so), they have taken the most hardened criminals committing the most heinous of crimes and all they need do is say, "He is not of a right mind," and they turn hundreds of them loose on the American society, giving them a slight slap on the wrist, and Satan's Communist regime is satisfied. The general public shakes their head and says, "What is this world coming to?" "What a deal!" "My, oh, my!" The Commies call you cattle. I call us tricked cowards. Stand up tricked ones. Read the Bible. You'll see everything that's happening to this world today was told about thousands of years ago!!! Why keep sticking your head in the sand? Why keep letting these subversive trained agents of Satan trick you any longer? Because when Jesus comes any time now in clouds out of the Eastern skies, he's going to sit on the throne and gather before Him all the nations of the world and will separate them one from another. This will be the dreadful day of judgement Jesus says that in that day out of these nations will be two classes of people: Mr. and Mrs. Right or Mr. and Mrs. Wrong. The sheep and the goats. (Matthew 25:32).

Jesus will not on that day tell of all the great works He did here on earth such as healing, casting out devils, raising the dead and giving His life and shedding His blood for the sins that we have committed. One point and one point only will determine everyone's eternal destiny. This will be determined by what we did or didn't do for Christ in the person of the unfortunate poor and the dying, suffering, and those that are being murdered and tricked. To the faithful He will say, "Come, ye blessed of my Father. Inherit the kingdom prepared for you from the foundation of the world: For I was an hungred, and ye gave me meat: I was thirsty, and ye gave me drink: I was a stranger, and ye took me in: Naked, and ye clothed me: I was sick, and ye visited me: I was in prison, and ye came unto me" (Matthew 25:34-36). Professing Christians have been tricked into thinking that abortion is a political issue, but let me remind you that it is the duty of real Christians to: "Open thy mouth for the dumb in the cause of all such as are appointed to destruction. Open thy mouth, judge righteously, and plead the cause of the poor and needy (Proverbs 31:8-9).

God says that He knew us before we were in our mother's womb (Jeremiah 1:5). I'm sure that He knows of the millions of senseless, aborted, innocent, humans murdered each year.

If you know of anyone considering an abortion, God is watching and it is your duty before the Lord and as a human being to tell them that there is a place that will pay for the delivery of the child and will take care of the child for life. Our Foundation will take all unwanted infant humanity. It is our duty to teach these potential mothers that no matter what the law of the land, "The Perverted Law," says, that God's supreme law whereby we will all stand judged by Him says, "Thou shalt not kill" (Exodus 20:13). Abortion is murder. Why not tell these girls and women the truth that abortions are dangerous and many die from having one. The statistical agencies say that 99% of the mothers that die from having an abortion are not reported.

Why, when our Christian organization wants these precious human infants, will you not spare these lives? Tricksters will try to teach you and tell you that we shouldn't fear God, but the Bible says that the whole duty of man is to fear God and keep His commandments (Ecclesiastes 12:13). Don't kill!!! Don't sin!!! "The soul that sins," God says, "shall surely die" (Ezekiel 18:4 & 20). But just like the chief trickster in the Garden of Eden said, "Thou shalt not die." But they did die. So says the Atheistic school system today and even ungodly churches. The Bible says that some churches are synagogues of the devil (Revelations 2:9). If you were the chief trickster, would you not also use false churches, schools, TV, movies, and magazines to trick people? Multitudes of religions say to hold a good thought or worship something of mankind when in reality there is no forgiveness of sin without the shedding of blood. These philosophies have not the virtue of a savior. They have no virtue and give no glory to the great works that God did through Christ Jesus, through the shedding of His blood. Christ said that He died that you might have life eternal and life more abundantly here . . . that He and He alone is the way into heaven . . . He and He alone is the truth . . . and He and He alone has the words of eternal life and there is no other name under Heaven given among men whereby we must be saved but by the name of Jesus (John 14:6, Acts 4:12). All other religions, philosophies, or doctrines are tricks of the chief trickster, the father of liars, the author of confusion. Watch out. Don't be tricked. Let no man take thy crown (Revelations 3:11). The Bible says don't be a fool. Why die ye? Though your sins be as scarlet the blood of Jesus can make them as white as driven snow (Isaiah 1:18). Repent
