COMMUNISM SAYS INTEGRATE
NATIONALISM SAYS SEGREGATE

RELIGIOUS SYSTEMS OF THE WORLD

Most of mankind have passed from Nature and Idol Worship, and now read the Gospels, the Talmud and the Koran.

Hinduism was a National Religion. It was meant only for those who were BORN Hindus. As the governments of the world are All National Governments.

The Government of Texas makes laws and govern people of Texas. Laws made in Texas do not govern French, Chinese or German people.

Buddhism (Brotherhood of Monks) was a Universal Religion for all races, all people, all colors or nations on Earth.

Jainism teaches Self-torture, Self-Denial (called ASCETISM), it forbids its members to be farmers, soldiers, teachers or manufacturers. They're almost All wealthy merchants and bankers.

Sikhism says there's no Hindu and no Mohammedan. Sikhs are like no other Hindus by following what they call the 5 KUKKAS: (1) KES, which means, long hair (2) KUNGA, a wooden comb in their hair (3) KACH, white drawers worn next to the skin (4) KARA, an iron bracelet and (5) KHANDA, a short two-edged dagger that they always wear in the street. This sect is called the ARYA SAMAJ.

Confucianism teaches ANCESTOR-WORSHIP and Chinese people remember Emperor Ts'in, after whose name we call his land China, as: THE CRIMINAL OF 10,000 GENERATIONS.

HUMANIST WORLD DIGEST

We would remind the Most Reverend Bishops that America is not a "Christian" nation and never will be as long as we remain true to the principles of the founding fathers.

George Washington, in the 1797 Treaty with Tripoli, stated that "The government of the United States is not, in ANY sense, founded upon the Christian religion."

LET'S HAVE A LOOK!

The present cold war between Christianity and Communism obscures their common underlying identity as Semitic. If individuals of ARYAN European race and heritage wish to believe in myths, why do they not believe in their own Nordic mythology instead of Asiatic Semitic mythology?

As Catholics and Protestants made Europe a battlefield and as Stalinists exterminated Trotskyites, so Christians and Communists fight each other in a worldwide struggle for the same goal: universal political and economic equality, regardless of inherent differences in character and resulting differences in achievement.

It is better to be an honest disbeliever than a dishonest believer.

I regard (religion) as a disease born of fear and as a source of untold misery to the human race.

—BERTRAND RUSSELL

It is boasted that most of the nations "trust in God". Now, all that's needed is for them to trust one another.

Accustom a people to believe that priests or any other class of men can forgive sins, and you will have sins in abundance.—THOMAS PAINE

MENTAL HEALTH LAW

To The Editor:

In regard to the new mental health law. I took a piece out of the Waco News Tribune and inclosed same.

And the way I understand what was stated, it is unconstitutional to deprive a person the right of legal help of attorney and jury trial in seeking recogation that his Sanity has been restored after Commitment.

Also in regard to the New law does a person still have a right to attorney and jury trial before being Commited to on Mental Instituition?

The world is in a mess, socially, religiously and politically. The reason is that too few of us are using the common sense with which we have been endowed.

Anti-Jewish Paraders Arrested at Atlanta

Atlanta, July 28 (AP). — Police yesterday arrested five persons who paraded briefly in front of the Atlanta Journal-Constitution Building carrying anti-Jewish signs.

Booked on charges of suspicion of inciting a riot were Billy Roy Branham, 19; George Michael Bright, 35; Kenneth Chester Griffin, 32; Luther K. Corley, 35, and Phillip Luther Wilson, 22, all of Atlanta.

One of the signs read: "Nasser outlawed the Communists and jailed his Reds but your Jewish press lies that the Arabs are Red." A line at the bottom of the placard read: "National Committee to Free America from Jewish Domination."

THANK YOU!

ARYAN KNIGHTS

likened the bill to the Latin American *ley de fuga*—the custom of freeing a prisoner and shooting him in the back "while he escapes."

I shall do everything in my power to merit your trust.

You being one of the doctors of law. Just wonder if it would be unconstitutional to explain to your readers their Constitutional rights to legal help before having their Constitutional rights took from them by a dictator county judge in disregard to our Consitutional rights out side a dictator and iron curtain doctors for the advancement of the negrose and Mexicans above their birth and civil rights. This letter not only wrote by one of your readers but by one that beleaves in Individual rights also.

P. S. if you care to publish "The Southern Rabbi Faces the Problem of Desegregation," in the C.C.A.R. JOURNAL, the organ of the Central Conference of American Rabbis, the Reform organisation. Rabbi Percy E. Nussbaum, of Jackson, Mississippi, maintains that the rôle of the rabbi can be only to "stimulate loyalty to Judaism through the Temple," to educate "our Christian neighbours," and to weld unity among the Jews.

From RICHARD YAFFE

The letter to the A.J.C. from the Jewish Federation of Montgomery demanding an end to acts on behalf of the Negro gave these reasons:

"For some years the defence organisations . . . have had a policy of actively protecting minority rights and civil liberties. . . . Specifically this has concerned the extension of full rights to the Negro. Our organisation . . . feels that this policy must now be tempered in its execution.

"The White community in the South is generally opposed to desegregation. This has been fully expressed. . . . The Jewish community in the South is a part of the White community in the South. And should our national Jewish organisations continue to champion the cause of the Negro, this action would alienate the Jewish community from the balance of the White community and create considerable antisemitism. . . . We therefore ask for an immediate cessation of any overt action by Jewish organisations on behalf of the Negro."

This was later followed by the shutting off of funds to the A.J.C. The Montgomery Council also tried to persuade the American Jewish Congress not to let the Rev. Martin Luther King, the Negro minister who led the bus boycott in Montgomery, speak at the A.J.C. convention from May 14 to 18 at Miami. Mr. Maslow noted: "The invitation to Mr. King, the symbol of Negro resistance in the South, was a symbolic action on our part."
