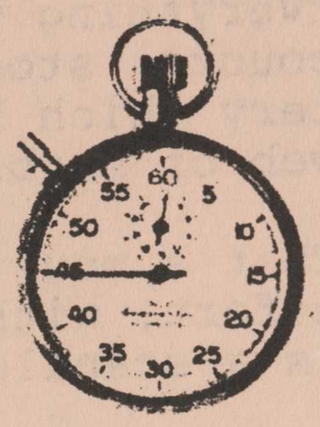
TIME RUNNING OUT...



The Genii is out of the bottle! "The most fundamental, vital issue in our society"...<u>is the nationalities question</u>.

So declared Mikhail Gorbachev of Russia. earlier this year.

So---We will not quarrel with Gorby...He has a problem. Its the conflict between the various Nationalistic groups.

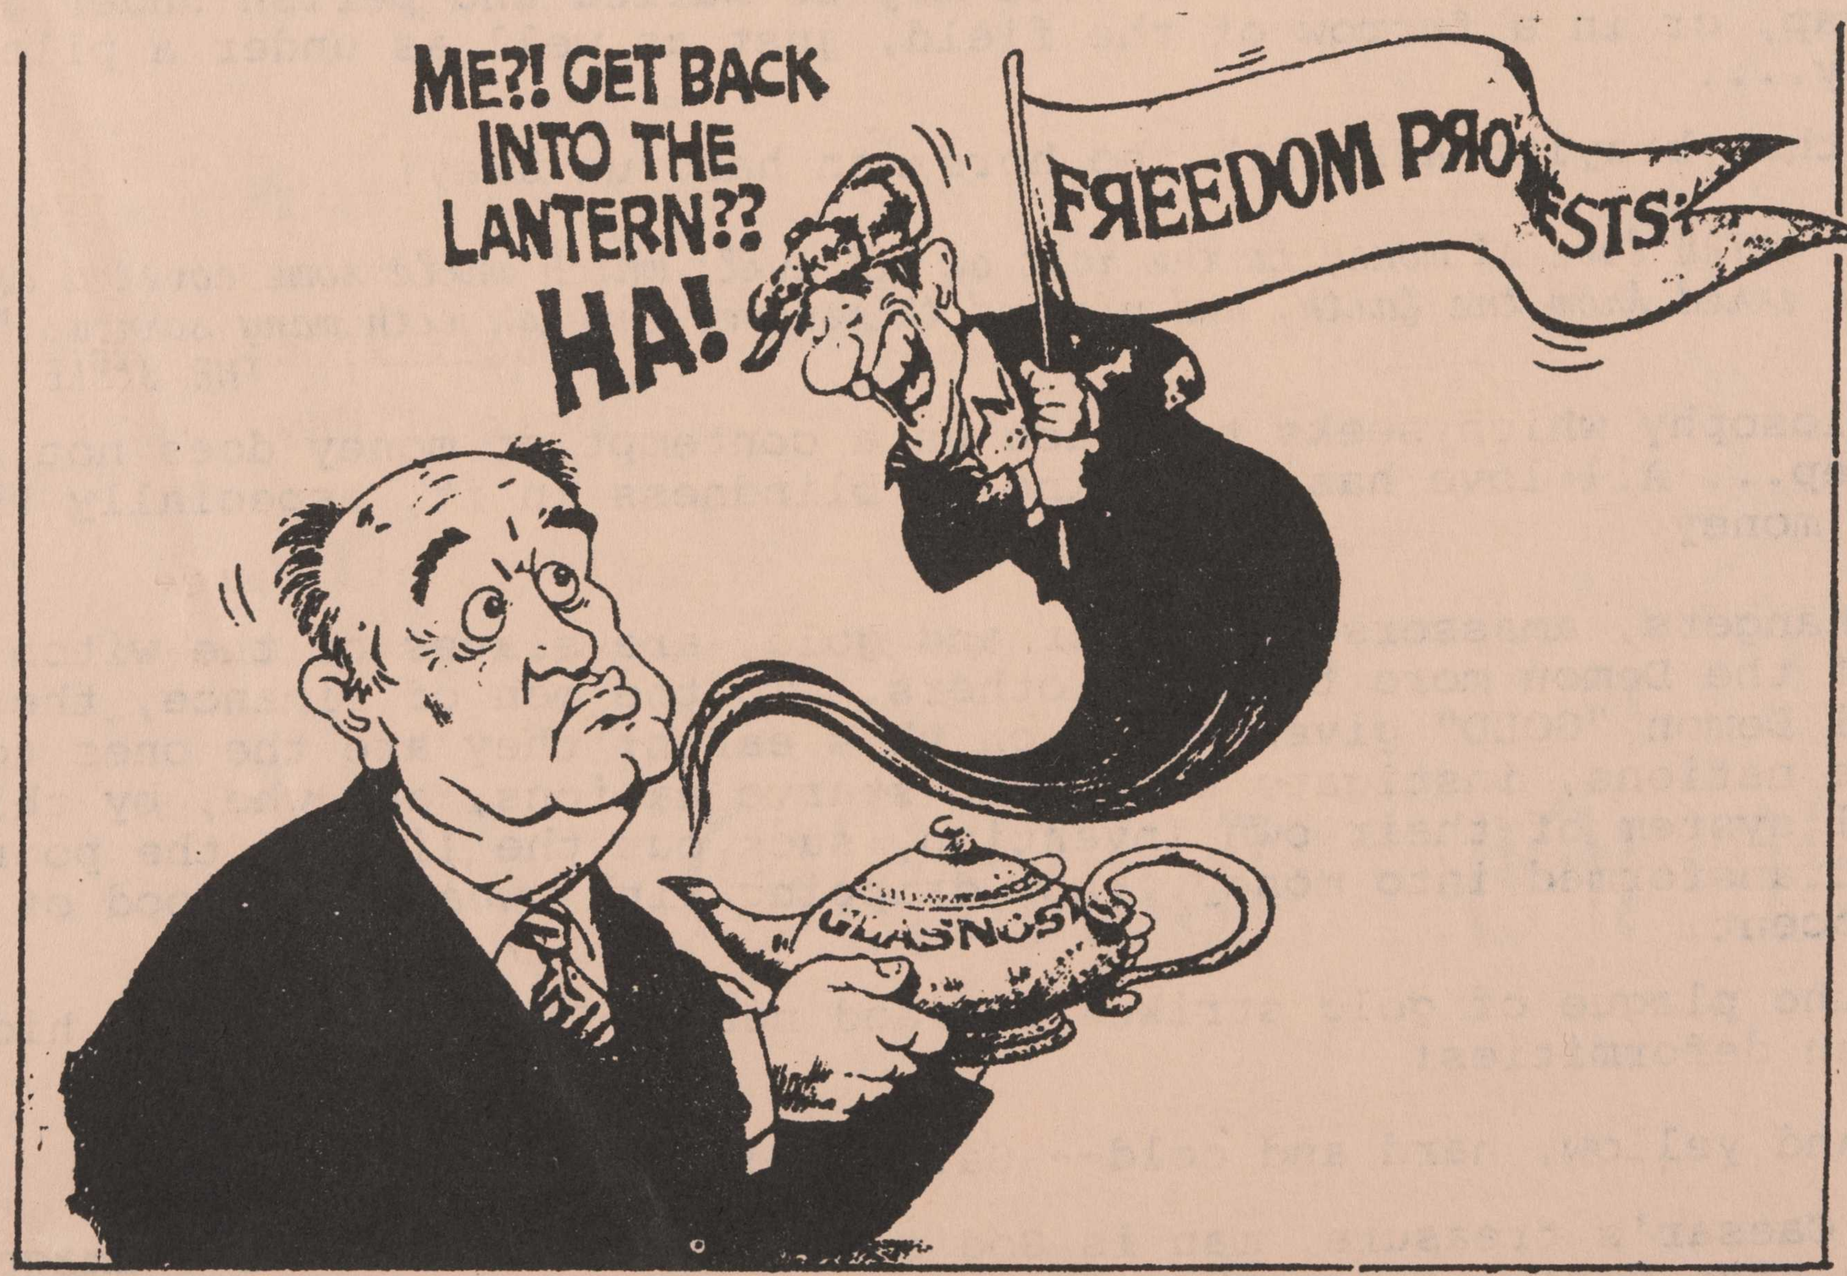
Many of our American people do not realize the diversity of races tied up in the Communist U.S.S.R.

For the past 70 years no amount of Leninist social engineering, no amount of Stalinist mass deportations to Siberia, has been able to quench the dynamic desire for independence that burns within the heart and mind of the subjugated Nations of 'peoples" in the Soviet Empire.

The Soviet Empire is suffering from a terrific bellyache...Indigestion and it is internal. Estonia, Latvia, Lithuania disappeared from the modern political doplomatic geography map as the result of a cynical high-handed 'deal' between Dictator Joe Stalin and his fellow Dictator Herr Adolph Hitler...

The Moslem menace in this conglomerate Russian Empire bodes ill for the immediate future... All this has the potential of becoming a vast head-ache to Gorby..."A Russian home-made Lebanon" .

70 Years is a significant Bible Number...Is it Beginning of the End?



"Estonia, Latvia, Lithuania, Armenia, Georgia ... what next? Ukraine?"
