We use many leading publishers for textbooks and workbooks across the country. Some have teacher guides, answer keys and other useful tools for students.
Not all publishers will sell if you are not a school. Laidlaw Brothers will service individuals as well as schools. Write to them for K-12 Grade.

PLEASE MENTION KEYS TO LEARNING
WHEN YOU ORDER YOUR WEAVER CURRICULUM
THANK YOU. Cathy Levesque

DEAR SUBSCRIBERS;
The Weaver Curriculum is in my opinion the best Christian Home Education Curriculum available on the market today. It sells for $75.00 and serves grades K-6. As far as I am concerned, when you have a K-6 curriculum, you actually have a K-12 curriculum. Some day I hope to tell you more about that. In the Resource section of the NHEG you will find the books you need.
