ALL WHITE AMERICANS:

Why ban handguns? NO GUN EVER KILLED ANYBODY! It is the finger that pulls the trigger that does the killing. TWENTY WHITE WOMEN HAVE BEEN ROBBED, RAPED AND MURDERED in the past several years in NewOrleans; every one of them by black negroes. Why not get rid of the black fingers that pull the triggers?

Who raped and murdered little Cynthia LeBouef downtown?
Who robbed and murdered a young mother before her two little children at Schwegmann Gentilly?
Who shot the girls eye out in front of Grace Church on Canal Street?
Who robbed and murdered the elderly Slidell shopper at Schwegmann Broad?
Who murdered the visitor from Monroe at Pontchartrain Hotel on StCharles?
Who murdered the visitor from Texas on Bourbon Street in a stolen car?
Who kidnapped, robbed and raped and shot six times, left for dead in Jefferson Parish, the Dominican student? She has been a semi-invalid ever since.
Who assaulted and robbed the late Mayor Morrisons aged mother?
Who chased the Charity Hospital Secretary onto a Carrolton Ave porch, where she was robbed and murdered?
Who robbed, raped and murdered Miss Duvigneaud while walking in City Park? Her body was found in a negro cemetery in Gretna, stabbed 14 times.
Who robbed and tied an elderly sick woman to her bed uptown, then raped and murdered her. (Three nigger "juveniles" 13, 14 and 15 years old).
Who robbed and murdered the elderly man while walking with his wife in Coliseum Square? She was also robbed and severely beaten.
Who robbed and murdered the Algiers grocer and his wife(Mr and Mrs Soso)?
Who broke into a 84-year old womans home in the Banks-Miro area, robbed her of $5 and her food stamps, then took turns raping her? TWO NIGGER"YOUTHS!"
Who shot the white girl in the face at Baronne and Melpomene?
Who robbed and killed the white woman at StCharles and Constantinople while walking with her husband?
Who held up the 69 year old man at StLouis and Marais, stole his wallet; then doused him with kerosene and set him afire?
Who murdered the father who had brought his son to school in Metairie, stuffed his body in the car trunk, and then robbed a Gretna bank?
Who murdered the Army Sergeant at Fischer Project which is all negro, who was selling ice cream to augment his income for his wife and children?
Who robbed, raped and murdered nurse JoEllen Smith while enroute to aid an ailing negrress? She was "torn from front to back"!
Who murdered the young-Erie Penna bride-groom and almost killed his bride?
Who murdered the Atlanta visitor after leaving Commanders Restaurant celebrating his 25th wedding anniversary with his wife? THERE ARE MANY, MANY MORE.
IN EVERY CASE THE VICTIMS WERE WHITES AND THE MURDERERS WERE BLACK NEGROES!

Hundreds of white women have been, and are being terrorized and murdered nationwide since 1954. Streets are jungles and a reign of terror prevails. ROY WILKINS of NAACP says NEGROES "PENNYANTE" CRIMES ARE BEING EXAGGERATED!

We remember 50-60 years ago when a negro was seldom seen on Canal St; they were all on SouthRampart from Canal to Howard. Today there are more blacks on Canal than whites. Purse snatchings, assaults, shoplifting, insults to whites are commonplace. Fortyyears ago, a negro was never seen in AudubonPark Pool; today it is all black. When Behrman, McShane and Maestri were Mayors, a white woman could walk any street without molestation. Today streets, buses and street cars are dominated by blacks.

In 1863, NewOrleans was occupied by Federal troops. Pastor Paul Maistrie pf StRose deLima Church on BayouRoad integrated the congregation. Archbishop JeanMariemOdin, who opposed racemixing, ordered Maistrie to resegregate. When Maistrie refused, Odin excommunicated him; called on U.S.Gen Banks for troops. Maistrie was evicted from the Church. Odin was upheld by the Pope! (See Roger Baudiers Official History of the N.O.Archdiocese) DID GOD AND JESUS CHRIST CHANGE THEIR MINDS ABOUT SEGREGATION SINCE 1863? IF SO, WHEN?

THE BLACK CANCER OF RACIAL INTEGRATION WILL DO MORE TO DESTROY THE U.S. THAN ANY OTHER DISEASE OR ENEMY! White cream in a cup of black coffee cannot remain white. U.S.Census 1970 shows 177.6 million whites and 22.6 million negros or 12.7%. It is simple arithmetic that if the majority of whites had the intelligence, courage and moral character to stand up for what the great white founders wrote, said and intended, there would be no problem. No violence is necessary, but corrupt politicians and Federal Judges must be rejected or the U.S. is doomed.
