those who call themselves Jews. In Protocol No. 3 we read, ***"Today I may tell you that our goal is now only a few steps off. There remains a small space to cross and the whole long path we have trodden is ready now to close its cycle of the Symbolic Snake, by which we symbolize our people. When this ring closes, States of Europe will be locked in its coil as in a powerful vise".*** To connect this statement with what is happening in Europe today, Benjamin Disraeli wrote in 1844, ***"The world is governed by very different personages from what is imagined by those who are not behind the scenes".*** And he went on to show that these personages were all Jews. Few people today realize that Soviet Russia is ruled by the same serpent people that inhabit the counterfeit state of Israel. The much publicized "enmity" between the two is only a smokescreen to fool the Christians, most of whom know very little about what happened in World Wars I & II. If they did they might better understand one of the most misunderstood verses in Holy Scripture, Genesis 3:15 where God, speaking to the serpent said, ***"And I will put enmity between thee and the woman, and between THY SEED AND HER SEED:...".*** 1 John 3:10 tells us that both the children of God and the children of the devil are MANIFEST. The Greek word from which "manifest" was translated meant "apparent" and Webster gives us synonyms: clear, plain, obvious and evident. None of these definitions leave any room for spiritualizing the children of the devil, so it must be "for fear of the Jews" that so many modern preachers do it. Anything that is manifest or apparent is visible. Spirits are not visible.

The religion of these children of the devil was Pharisaism which was sometimes referred to by Jesus as the tradition of the elders. It was not the religion of the Old Testament. We find Jesus Christ in the Old Testament although He was not yet manifest in the flesh. The Old Testament is the New Testament concealed and the New Testament is the Old Testament revealed. Neither Testament (Covenant) belongs to the people known as Jews. The children of the devil - those that Jesus Christ said in Rev. 2:9 and 3:9 were of the synagogue of Satan - have been called Jews since they accompanied those of the true house of Judah back to Palestine after the Babylonian captivity. They were told in Isaiah 65:15 that their name would be left to them for a curse and they would be slain (Luke 19:27) but God would call His servants by another name. God has kept His promise concerning the name, for the anti-Christ Jews are still called Jews while God's Israel people are now called Christians. It is an insult to Jesus Christ to use the expression ***"our Judeo-Christian Heritage".*** Most Christians have been brainwashed into automatically thinking of Judah when they hear "Judeo" or "Judaism". It was planned that way. Judaism refers to the religion of the Pharisees and not to the religion of Judah. This is verified by the Jews themselves in their own writings. Christians have also been mind conditioned to think "Jew" every time they see or hear the name "Israel".

This equating of Israel with Jew left the theologians with a big problem. What were they going to do with Israel in the New Testament? They could not just ignore it for the name Israel was applied to the people of the New Testament 74 times. Telling the truth at this point would destroy their theological position concerning the Jews as the chosen people, or Israel, so some other explanation for Israel in the New Testament had to be found. Out of their fertile minds "spiritual" Israel was born! It solved the problem for the theologians but it played havoc with Holy Scripture. Whenever Jesus Christ or His disciples referred to the Scriptures, it had to be Old Testament Scripture because there was none other. In the Old Testament the name Israel is mentioned 2426 times and neither Jesus Christ nor His disciples ever indicate in any way that the 74 times Israel was mentioned in the New Testament was not the same people. The Israel of which Jesus Christ and His disciples spoke was a genetic seed line. Yahweh God told Abraham in Genesis 17:19, ***"Sarah thy wife shall bear thee a son indeed; and thou shalt call his name Isaac; and I will establish my covenant with him for an everlasting covenant, and with his seed after him".*** This is verified in Gensis 21:12. In the New Testament we find further verification for this genetic seedline. Romans 9:7 tells us again ***"In Isaac shall thy seed be called".*** It is plainly speaking of the Israel seed line as the previous verse explains. Isaac was the son of Abraham so when we get to Galatians 3:29 which reads, ***"And if ye be Christ's, then are ye Abraham's seed, and heirs according to the promise",*** Romans 4:13 explains that the promises were not made to Abraham and his seed through the law but through FAITH. In other words we must have faith in Christ before we can accept the promises made to Abraham's seed, which we are.

After several generations of mind conditioning by the theologians, educated in Jew controlled seminaries, it is understandable that the true seed of Isaac (Isaac's sons - Saxons) find it hard to accept the fact that they are the genetic seed of Abraham, Isaac and Jacob (Israel). It has been said that if you tell a big enough lie often enough the people will believe it and that has been proven true. Many of them originate through those referred to by Jesus in St. John 8:44. They were known as Jews. Abraham was not a Jew nor was his religion known as Judaism. This may come as a surprise to many but Abraham was a Christian! Jesus told these anti-Christ Jews who claimed Abraham as their father in St. John 8:56,

"Abraham rejoiced to see my day; and he saw it, and was glad". Just as we are Christians after the fact of his coming to earth in a flesh body, Abraham was a Christian before the fact. Abraham looked forward to His first coming and we look forward to His second coming.

Unlike Abraham, the followers of Judaism are avowed haters of Jesus Christ. They do not accept Him as the Son of God and Jesus told them they were not His sheep in St. John 10:26. Are those who preach the Judeo-Christian fallacy blind or just cowardly and greedy? It is more lucrative and less dangerous to pacify the synagogue of Satan than to preach the truth of Jesus Christ. They crucified Christ for the truth that He taught. The Word of God tells us that we cannot serve two masters which means we cannot serve both Judaism and Christianity. We are told in II Corinthians 6:14, ***"Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness".*** Does not putting a hyphen between Judeo and Christian yoke us together with unbelievers? What excuse are those that do this going to give when they stand in judgment before the great white throne of Almighty God?

Most modern theology is built almost entirely around St. John 3:16, ***"For God so loved the world, that he gave his only begotten Son that whosoever believeth in him should not perish, but have everlasting life".*** What does it mean to believe in something? Could you believe in a political party without knowing what was in the platform of that particular party? Hardly. Neither can you believe in Jesus Christ without knowing what His platform is. To believe in Christ you must believe that He came ONLY to the lost sheep of the house of Israel as He stated in Matthew 15:24 and instructed His disciples in Matthew 10:6. To believe in Christ you must believe that He did not do away with the law on the cross (Matt. 5:17-20). To believe in Christ you must do the will of His ***"Father which is in heaven"*** (Matt. 7:21); you must not give that which is holy unto the dogs or cast your pearls before swine (Matt. 7:6). To understand that Jesus is not speaking of four-legged animals see Matt. 15:26. Are the missionaries obeying this commandment of Jesus? To believe in Jesus Christ you must believe that Satan has offspring on the earth (St. John 8:44, I John 4:10, Rev. 2:9 and 3:9). If we really BELIEVE in Christ we will not use the expression ***"Judeo-Christian".*** Eternal life may not be as EASY to obtain as those who depend entirely on St. John 3:16 believe.
