FINDING OUR STORIES - CREATING OUR PEACE

PEOPLE CAMP 1988

SCHEDULE Camp begins late afternoon on Sunday, August 21 and ends after camp clean-up at lunch time on Saturday, August 27.

MORNING PROGRAM Workshops will be held each morning, allowing ample time for recreation in the afternoon.

CHILDREN AND YOUTH Sessions for elementary, junior and senior high school age youth will be held during the morning program session.

CHILD CARE Loving care will be provided for infants and toddlers during the morning program in a cabin set aside as a nursery.

LATE AFTERNOONS Campers are encouraged to lead interest groups sharing their special concerns and/or skills in this time period. Persons who would like to lead such groups are asked to note topics on the registration blank.

WORSHIP Silent worship will be held at 8:45-9:15 a.m. for those who wish to attend.

RECREATION Camp Mishawaka has excellent recreational facilities -- tennis, basketball and volleyball courts, a sauna, and a sizeable playing field. Lake Pokegama is a beautiful place to boat, fish or swim. Recreational activities include an "across-the lake" swim, hikes, nature walks, singing, folk-dancing, games and of course the famous People Camp talent show.

ACCOMMODATIONS Simple rustic cabins (no heat, plumbing or electricity) are available for families or individuals to share. There also is space for tents and trailers. Cost is the same for all accomodations. There are fireplaces in two lodges. Some modern bathrooms and a community shower room are available. Persons with special housing needs should indicate them on the registration form.

CAMP FOOD Three hearty meals and an evening snack are served daily. The emphasis is on simplicity throughout the week and camp menus reflect that. Simple, wholesome food is served. Vegetarian foods are included in all meals and, as an economy measure, there are not many meat dishes. Campers are asked to bring along as much extra garden produce as possible.

COOPERATION Working cooperatively under the leadership of a volunteer staff helps keep costs down. Every camper is expected to help with daily camp work such as child care, food preparation and cleaning. Cooperative work plays an important part in the cohesive development of the group and most campers find it rewarding.

MEDICAL CARE First aid will be available at camp. For more complex medical situations, medical care and a hospital are available in Grand Rapids, only minutes away from camp. Due to insurance intricacies, please indicate any special medical conditions on the registration form. Those with medical questions should call FNVW.

TRANSPORTATION Camp Mishawaka, located just south of Grand Rapids, is about 3 hours north of the Twin Cities and 1½ hours west of Duluth. Greyhound bus service is available to Grand Rapids from Minneapolis. Transportation from town will be provided if arrangements are made in advance. FNVW also will assist with arranging carpools.

FEE SCHEDULE Fees are payable at any time between now and arrival. At a minimum, a $10 deposit should accompany registration plus a registration fee of $5 per family or $3 per individual.
