Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool, (through the blood of Jesus) **(Isa. 1:18).**

In God's love, He sent to die for us that which He loved the most (His Son). Jesus loved us so much that He laid down His life and shed His blood for us, so our sins could be purged, forgiven. If we love as God and His Son, Christ Jesus, have loved us then will we give up our sins and former wicked way of life, learn the Word of God correctly, and give His truths to this world that has been lied to for so long--that they may have this life that God and His Son have given so freely. But how can they know without a preacher (not a novice, but one who has learned all the ways of the Lord)?

But if ye refuse and rebel, ye shall be devoured with the sword: for the mouth of the Lord hath spoken it. (Isa. 1:20)

If you would like to be saved, then say this prayer and you will be:

PRAYER

MY LORD AND MY GOD, HAVE MERCY UPON MY SOUL, A SINNER. I BELIEVE THAT JESUS CHRIST IS THE SON OF THE LIVING GOD. I BELIEVE THAT HE DIED ON THE CROSS AND SHED HIS BLOOD FOR THE FORGIVENESS OF ALL MY SINS. I BELIEVE THAT GOD RAISED JESUS FROM THE DEAD BY THE POWER OF THE HOLY GHOST. I OPEN UP THE DOOR OF MY HEART, AND I INVITE YOU INTO MY HEART, LORD JESUS. WASH ALL OF MY SINS AWAY IN THE PRECIOUS BLOOD THAT YOU SHED FOR ME. YOU WILL NOT TURN ME AWAY, LORD JESUS; YOU WILL SAVE MY SOUL. I KNOW BECAUSE YOUR WORD, THE BIBLE, SAYS SO. YOUR WORD SAYS THAT YOU WILL TURN NO ONE AWAY, AND THAT INCLUDES ME. THEREFORE, I KNOW THAT YOU HAVE HEARD ME, AND I KNOW THAT YOU HAVE ANSWERED ME, AND I KNOW THAT I AM SAVED, AND I THANK YOU, LORD JESUS, FOR SAVING MY SOUL...Now that you are saved, raise your hands toward heaven and praise the Lord.

After you have said this prayer and know that you are saved, read only the King James Version of the Bible. And call or write us soon for instructions on how to receive power from God by receiving the baptism of the Holy Ghost, and for instructions on how to please the Lord fully.

HERE ARE SOME MORE OF THE POPE'S SECRETS

The Vatican is so mysterious that most of the priests, nuns and members on the lower level of their clergy and people who work on the lower level of federal government agencies don't know that they're part of the world's largest cult and that narcotics, prostitution, pornography, booze and black market--every filthy thing--can be traced right back to the Vatican and her government agencies. Defectors from this large sect, the Roman Catholic institution, have stated that 68% of the Vatican's clergy are guilty of homosexuality, lesbianism, and fornication--all these acts are absolutely forbidden by God and will cause their souls to go to hell if they don't repent. Down through the ages, many notables have called the Vatican a "sewer of corruption."

A former high-ranking Jesuit priest who worked in the Vatican for years and answered only to the pope reported to me that when today's pope, John Paul II, was a priest in Krakow, Poland, factory workers became angry with the future pope (John Paul II). It was reported that many of the factory workers wanted to kill him, and they stated that they did not want him to come around anymore. And when he would, they would throw oily rags at him because it was reported that he was molesting their little children. They also reported that he (now Pope John Paul II) is a homosexual. This explains all the new Vatican federal government regulations regarding nondiscrimination against homosexuals.

In a book about love (lust) that **Pope John Paul II** wrote when he was a priest, he repeatedly quotes **Sigmund Freud** as though he were quoting holy writ. Sigmund Freud, a Jew who converted to Roman Catholicism, is well-known as the world's foremost pervert. The Vatican raised him up, along with the whole psychiatric field, to do away with the words **sin** and **guilt**. The Vatican could then use psychologists and psychiatrists to commit to mental institutions people who profess faith in God's supernatural dealings with mankind, both today and in the past. These psychologists and psychiatrists and the Vatican's heavy-weight news media continuously mock (make fun of) anyone who exposes through God's Word, this cult which God calls the whore in Revelation and anyone who stands on every word of God which includes Christ's commands to raise the dead, to heal the sick, to cast out devils, to be born again, to resist and expose the devil (the whore of Revelation). John Paul II and Freud's perversions run parallel, as he admits in his book.

Now that he has hit the "big-time (ruler of his Roman Catholic institution and federal government agencies), he can make laws in accordance with the way he thinks. He now wishes for us to live out his fantasies by making laws forcing both young men and women to have to use the same toilets in college dormitories. His perverted brain rejoices as he sees the human race forced by law to participate in his style of kink. These new Roman canon laws of perversion and death are enforced by two of his federal government agencies called the Department of Housing and Urban Development and the Department of Education,[21] which sound very official, and it makes them as much of a disguise as the whole Vatican operation's false Snow White image.

In the spiritual war between God and Satan, we rejoice and are exceeding glad because Jesus said: **"...great is your reward in heaven: for so persecuted they the prophets which were before you"** (Matt. 5:12). We are the strongest fundamental Christian organization in the world (and are very proud of that fact).

Some false publications which perjure themselves (some that deceptively even print Bibles) and do not listen to Jesus, who said: "Do violence to no man, neither accuse any falsely" (Luke 3:14), have included us in their books about cults. Because of their blatant lies, and because of our necessity to uphold the integrity of the Lord's work we had to check

[21]Vatican USA, pg. 78-79

out these sinister publications and, of course, found **them** to be the cult (Jesuit-Vatican) run.

What mean ye that ye beat my people to pieces, and grind the faces of the poor? saith the Lord GOD of hosts. (Isa. 3:15)

Don't you know..."whatsoever a man soweth, that shall he also reap." (Gal. 6:7) And God will do to you manifold that which you have done to others**...Vengeance is mine, saith the Lord; I will recompense, I will repay. (Rom. 12:19; Heb. 10:30).**

We are joyful because our reward is great because of the lies that they have told about us (Jesus said so).

The Vatican's federal government agencies and her heavy-weight news media (in concert) have also made it possible for us to have much great joy and abundant rewards in heaven because they have jointly taken us into court on false charges and have launched slanderous[22] campaigns against us continuously for the last fifteen years. Under investigation we found both the heavy-weight news media[23] and, of course, the aforementioned government agencies secretly Vatican controlled and/or owned. We thank You and praise You, Jesus, for showing these facts to us, and for guaranteeing us our most certain rewards. The Psalmist David writes:

The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and against his anointed saying, Let us break their bands asunder, and cast away their cords from us. He (God) **that sitteth in the heavens shall laugh: the Lord shall have them in derision. Then shall he speak unto them in his wrath, and vex them in his sore displeasure. (Ps. 2:2-5)**

FEARFUL REWARD FOR THOSE THAT FIGHT AGAINST GOD

Include in your prayers all these unfortunates who fight God, His Son, Christ Jesus, the Holy Spirit, and God's anointed, for if they continue on, there is a certain fearful reward for them. We, like our Father which is in heaven and His Son, Christ Jesus, don't wish that anyone should go to hell. That's why we instruct all people to pray in the name of the Lord Jesus Christ that they can find Christ as their personal Saviour and start doing good by working for Him instead of doing the unfruitful works of unrighteousness the end of which is everlasting hell and damnation. (Not that we pray for the devil or for those that have blasphemed the Holy Ghost, we pray not for them. [I John 5:16]) Our church has expanded and grown very much stronger as Jesus said we would, under persecution. If God so loved the world, shouldn't we? This expose' is written in love so that precious souls won't be deceived by the Vatican and her associates any more...take the mark of the beast and go to hell.

Everyone who uncovered facts about this cult (the Roman Catholic institution) and her associates has historically and right up to this day been called heretical, vicious, dangerous, secret, religiously bigoted, etc. and has fallen prey to her massive character-assassination campaigns.

They also say that we have Vatican paranoia. Did Abraham Lincoln and John F. Kennedy have Vatican paranoia? And all the millions of people today who are being hassled and harassed by the Vatican federal and state government agencies plus those who don't have a job and are hungry (some sitting in jails because they were forced to steal because of hunger), do they all have Vatican paranoia?

Because of this expose', the Roman Catholic institution will act as if they (of all people) are being persecuted, and will say innocently, "Why is this happening to us?" knowing that those who are ignorant of the things she does will feel sympathy for her. (I have no sympathy for the devil.) I didn't write the Word of God I just preach it. God doesn't hate good, only evil.

The Vatican and her people all deserve the Academy Award Oscar for the best performance of innocency and piety, and also for make-up and wardrobe design, making her outward appearance that of Snow White. Underneath her Snow White outfit, there are running, festering sores and ringworm. On the outside she smiles sweetly and says, "I love you, brother," but behind her bony back, she hides hands that drip with the blood of martyrs.

Here is an example of how the Vatican always covers herself. When she saw that World War II [another Vatican Inquisition] was being lost, she quickly hid, in one instance, 1,000 Jews so that after killing 6 million Jews she could say: "We hid and protected the Jews; we love the Jews." This is the actual truth of what the Vatican did.

Speaking of Academy Awards, the Vatican has long time been in the movie industry.[24] Hollywood, influenced by a powerful Roman Catholic lobby, furnished us with films like "The Song of Bernadette," and "Going My Way," and a number of exciting films glorifying this Roman Catholic cult. On the other hand, they pushed movies like "Elmer Gantry," showing crooked Protestant evangelists. Do you remember "Dragnet" on television? The Christian was always pictured with a big Bible, smiling after he had strangled grandma up in the attic.[25] And always the priests were the well-respected, highly-paid stars like **Bing Crosby** and **Barry Fitzgerald.** You see, we are hit psychologically on many fronts by the Vatican (the leader of the one-world church and all the world governments).

Continuing her role as Snow White the Vatican is using her own media to promote a three-hour **CBS** propaganda extravaganza white-washing her clay god, the cult leader. I'm sure the oily rag throwing incident was left out of the script.

There are many beautiful people in the Roman Catholic Institution who are not wealthy, some are even very poor, and who are not seeking for high position. Most are very humble. These common people are completely unaware of the wickedness that has been and is being committed by the Roman cult, which they have been told is a church. Because God knows their sincere hearts (He is the God of our heart), He says unto these ignorant people **"Come out of her, my people."** So let's pray they will soon.

Grim Reminder to the satanic super-boss (the pope) who runs the Roman house of prositution and the governments that give her power. Your reign is very short lived; thus saith the Lord.

The Jewish priesthood ended at Calvary; nowhere in the Bible has God ever given authority of priesthood to Italians, Polish or any other race of people, other than the Jews. And out of the twelve Jewish tribes, only from the tribe of Levi did God bring forth priests. This shows that the Vatican is unscriptural and living in a world of fantasy and make-believe. When Jesus said "It is finished" Jesus became the only High Priest.

The Vatican wants to move from Rome to Jerusalem. On September 26, 1973 **The Houston Chronicle** reported that the politically power-hungry **Henry Kissinger** helps this super-cult (the Vatican) by proposing "that Jerusalem become an international city with the control of holy places and the religious administration being given to the pope."

The Bible never mentions purgatory or any similar sort of place, but the Bible does plainly say: **"...it is appointed unto men once to die, but after this the judgment..."** (Heb. 9:27). And God said, it's either heaven or hell, nothing else. You can't buy your way into heaven, and you can't buy your way out of hell.

Nowhere in the Bible does it say to kill people who don't believe the way we do. The Vatican, however, calls such killing "holy war" and condones it, proving again that she is completely cultish and unscriptural.

Fifty years ago Archbishop Gilroy said, "Because of our Catholic control of the post office, the postal department has the means of checking the whereabouts of certain non-Roman Catholics (heretics) in regards to their movements and certain situations. And while we have such men in control in our post office and in your service, we need not be afraid of our secret police being criminally detected."

Knowing these facts it's clear why the postal department is currently trying to take away our bulk rate mail status. They are criminally suppressing freedom of speech and freedom of religion, our two last constitutional guarantees that the Vatican is quickly and quietly trying to do away with. State and federal agencies with their news media and judicial systems in every nation under instructions from Rome, will certainly say that **The Pope's Secrets** is "hate" literature, and they will tell you that I am your enemy. But as the Apostle Paul said, so say I, "Am I become your enemy because I tell you the truth?" (Galatians 4:16)

Telling the truth, so that people can escape world dominion under the cruel leadership of Satan's vicar with his hateful and dictatorial Roman Canon principles instead of our godly U.S. Constitution (which is law in the United States) and so that people of all nations can escape the mark of the beast and hellfire - is that hatred? Jesus said that telling the truth is love and commands us to go into all nations preaching the truth, for Jesus said, "And ye shall know the truth, and the truth shall make you free." (John 8:32)

You can either believe the pope or me. I have revealed unto you just a few of the pope's secrets. God said that the pope's organization is the mother of every abomination on earth, not 99% of the abominations but every abomination. Read your King James Version Bible and see if I am or am not telling you the truth. Believe God. "Believe on the Lord Jesus Christ, and thou shalt be saved." (Acts 16:31)
