Dear Leslie -

Enclosed are the pamphlets you requested. If you want more information about activities at this post in the Boston area, call Marlene Fried (776-3454) in Somerville. She is a founding member of our group.

Marlene will be unavailable until after May 3rd. We will be in the Capital area establishing a National Network of Abortion Funds.

I've found my work as a member of the Fund rewarding, and understand your frustration with the National organizations.

Good luck!

Barbara Melhose
