"The Overt and Covert Organs of the Vatican and British Empires are Locked in Mortal Combat for Control of the World"

Yes!! I want to receive **The Project**, the executive summary of the on-going research of a private network dedicated to applying the scientific method to conspiracy theories of history. Current issues of **The Project** revolve around clarifying and testing the hypothesis that a traditionally London-centered world money cartel, under the patronage of the British Crown, vies for domination of world affairs on multiple levels with the Vatican, the Empire of the City(of London)'s ancient enemy and the social organic heir to the mantle of Rome. **The Project** appears quarterly for political activists, investors, futurologists, students of geopolitics, students of secret societies and subversion, observers of super-rich dynasties, and others who can benefit from objective, non-partisan ruling class/conspiracy scholarship.

Package Deal for New, Renewal and Extension Subscribers

New, renewal, and extension subscribers may take "credit" indicated above on orders of back issues or books included in any A-albionic Research list. The "credit" may also be used for search fees and toward the price of rare and out-of-print books so searched. Existing subscribers may qualify for this "package deal" by signing up for additional years of subscription.

Book Search Service

A-albionic Research also operates a rare and out-of-print book search service. For a $3.00 non-refundable fee, A-albionic will submit any book title to its exclusive network of book specialists. A-albionic is most successful with super-rich biography, revisionist history, ideology, secret societies, world revolution, and occult titles. A-albionic can normally provide a firm quotation within 30–120 days, but success or low-price cannot be guaranteed. Please include author, if possible, when you submit titles for search on this form.

Explanation of Privileges

Regular Subscription — Passive, letters read. **Corresponding Subscription** — Letters read and answered privately.
Participating Subscription — Letters read, summarized and responded to in **The Project** at the subscriber's request.
Supporting Subscription — Hypotheses pursued in **The Project** for benefits of networking when requested by subscriber.
