DARKNESS NOW LIGHT
Robert J. Van Domelen

This is a book of testimony from a man who molested young people, was caught, convicted and discovered the healing grace of Jesus Christ while in prison. Van Domelen in no way minimizes the enormity of all acts of child abuse or their devastating effect on victims, but he is able from first-hand experience to discuss abuse and its causes from the perspective of the offender. In so doing he is able to address the possibility of ministering healing to people most often considered to be beyond help. A one-of-a-kind book.
