Christmas Stocking Stuffers

Do your Christmas Shopping Now

Extremely well-done video on the sensitive subject of sexually transmitted diseases (including AIDS) and teen chastity. Teens who view this video respond well to its honest tone and solid truth.

AIDS patients and their families describe the terrible consequences of AIDS on themselves and their loved ones. You also hear from medical experts. Great tool for teaching abstinence.

This video looks at the spiritual roots of abortion, and exposes the myths surrounding child killing. This video promises to convert many to pro-life positions. Little known historical facts about abortion and how they relate to the feminist of today are presented logically and accurately. Highly recommended for church groups and bible studies.

This video provides irrefutable evidence of the humanity of the unborn child. Using an ultrasound screen, former abortionist Dr. Bernard Nathanson narrates what takes place during a first-trimester abortion.

As the unborn child attempts to escape the suction curette, her motions can be seen to become desperately agitated and her heart rate doubles. Ages 12 and up

This is one of the best books a Pro-lifer can have!

It takes each argument that ProAborts use and refutes them with facts and sound logic

The index lists each of the 39 questions which are addressed and gives the key refutal points of each, and the page to find the full rebuttal. This helps you quickly research your specific question without having to wade through pages of information you don't need

This is a MUST for every Crisis Pregnancy Center, Right to Life group, and Church Library

Former abortion clinic owner Carol Everett reveals the true profit motive of abortion, as she tells of her conversion to Christ and the Prolife movement

- OUR ABORTION COUNSELORS WERE PAID TO SELL.
  "We did not discuss alternatives to abortion unless the woman forced us to. Our counselors were paid generously to sell a product, and that's what they did."
- OUR CLINICS DID 'ABORTIONS' ON WOMEN WHO WERE NOT PREGNANT
- WE KILLED AND INJURED NOT ONLY BABIES, BUT MOTHERS AS WELL

This emotional true life story is great for opening up the eyes of a "ProChoice" friend

VIDEO CORNER

This video has the potential to change even the most hardcored pro-abortionists. Powerful visual evidence proves abortion is murder. See conception taking place through a microscopic camera. Watch a baby moving in the womb. Listen to the heartbeat of an unborn child. Witness the absolute reality of abortion. WARNING: extremely graphic. A User's Guide is enclosed and its use is strongly urged. (9 1/2 minutes)

"It can not be emphasized too strongly or too often that this great nation was founded, not by religionists, but by Christians, not on religions but on the gospel of Jesus Christ! For this very reason peoples of other faiths have been affforded asylum, prosperity and freedom of worship here."
-Patrick Henry

A colorful and inspirational documentary of America's Christian heritage. Every Christian student should see this video. (65 minutes)

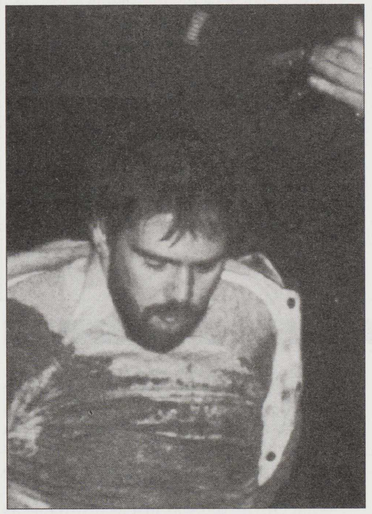
FIRE BOMB

A Canadian pro-life leader and his family are almost killed by a bomb attack on their home in the middle of the night. A second bomb attack follows. Canadian authorities are asked to investigate but little response has followed.

Page 16



Blocked abortionist finally makes water-borne getaway

A rescue attempt blocks abortionist Paul Seamars into his lakeside residence. Eventually—too late to do abortions—Seamars leaves home in a boat.

Page 19

Pro-life in the Computer Age

Can Pro-life groups take advantage of the information network with computers? If they don't they will never catch up with the opposition in the area of information sharing.
