Ministering The Love And Transforming Power Of Jesus Christ To The Homosexual And Sexually Broken

P.O. Box 8234, Portland, Maine 04104 (207)-879-2554 Summer 1997

Warmest Greetings...

"Arise, shine, for your light has come, and the glory of the Lord rises upon you"
- Isaiah 60:1

Yes, God continues to encourage us to persevere with His message of hope and healing here in Northern New England for those who desire to be set free from sexual brokenness! It is always a great joy to witness a changed life through the work the Lord does in this ministry. Being a part of His plan for redeeming lives is indeed a blessing and honor.

It has been quite some time since I've written to you, and there is so much to communicate! Please accept my apologies for not writing sooner or more often. With limited staffing and funding, writing is sometimes a great challenge to me. Behind the scenes I've been occupied with the daily operations of keeping a ministry going as well as numerous opportunities the Lord opened to spread the word of life. Please review the list later in this letter.

I pray that you are remaining strong in the Lord, keeping your eyes fixed on Him.

18-Week Series...

"Come to Me, all you who are weary and burdened, and I will give you rest"
- Matthew 11:28

The most recent 18-Week (Living Waters) Series concluded in February of this year with thirty men and women faithfully attending. There were also four volunteer Group Leaders offering their time and giftings in numerous ways. Many of the comments received at the end of the Series revealed how deeply moving and life-changing the support we offered was to them. One man commented, "I've never experienced anything like this. I believe there is hope now where before I saw none. This (Series) has changed my outlook forever." Others also expressed similar feelings and thoughts.

Because the Series depends upon the availability of committed Group Leaders, we have only been able to offer one Series per year recently. Many of our Leaders have been sacrificing their time for a number of years now and truly deserve to take a much needed break. The number of Group Members we can accept into a Series is directly determined by the availability of these dedicated Leaders.

Presently we have a waiting list for the next Series, which is scheduled to begin in late October. A confirmation sheet will be mailed soon to all those who have expressed an interest in attending. We are eagerly awaiting another season of ministry and healing.
