Dear Friends,

This letter is to inform you of the Fifth Annual Fall ACUC Conference which will again be hosted by the Indianapolis Baptist Temple, October 10-13. The address is 2711 South East Street, and the new phone number is 317-7-Temple or 783-6753.

We have a line up of some of the most outstanding patriot pastors in the U.S. John Weaver will teach daily on the true meaning of Romans chapter 13. Others will deal with subjects like incorporation, asbestos inspections, and autonomy.

Some of the speakers will include Pastor Herman Fountain whose church was raided recently in Lucedale, Mississippi; Mrs. Gordon Kahl; Natasha Vins who just returned from visiting the unregistered churches in the USSR; and Wayne Lowrey who may go to jail for refusing a license to preach. It also looks like Lt. Col. Thomas E. Bearden will be able to come and speak on the subject: USSR's New Secret Weapon. Did it shoot down the Challenger spacecraft? Bob McCurry will deal with the question: What is real money? Legacy will be singing in all of the services.

These are indeed "perilous times" (II Timothy 3:1), and days that "try men's souls". However, there are many good men who dare to stand in the face of great danger because the Lord Jesus said, "..and, lo, I am with you always, even unto the end of the world." Matthew 28:20b.

The schedule is on the back along with a list of motels. Space is available for campers in our church park and we will provide homes for those who wish to stay with our members. Dormitories will be provided at the church for both men and women. Also, for your convenience three meals a day will be prepared at the church at a reasonable cost.

Plese try to come and bring some folks with you.

Yours in Christ,

Brother Greg Dixon
National Chairman
