distributed to deal with the most immediate contemporary issues facing our world. THE BIBLICAL WORLDVIEW CONFERENCE CENTER is a dream that we pray will become a reality. With your help it will.

The staff of American Vision is ready now to speak to your church or group on critical issues that face our nation: family, church/state issues, economics, law, abortion, and education.

Challenge

American Vision is supported by those who desire to see their world changed. If you would like to share this vision with us, fill out the order blank to receive a list of our outstanding civilization-changing products. Become a regular supporter of American Vision and help change our world.

We at American Vision believe in the gospel. We believe it is the power of God unto salvation. We also believe that this salvation is for the "world" (John 3:16). American Vision wants to help Christians around the world learn what the Bible says about everything and how to apply the Bible everywhere. We need your help to do it. We need your prayers and your financial support. Together we can make a difference in these critical times! Share the vision with us.
