# SCIENCE OF HUMAN GOVERNMENT ?

Politics is the gentle art of getting votes from the poor and campaign funds from the rich, by promising to protect each from the other...

The PRESS (media, T.V. etc) is the hired agent of a monied system, and set up for no other purpose than to tell lies where their interest is involved...

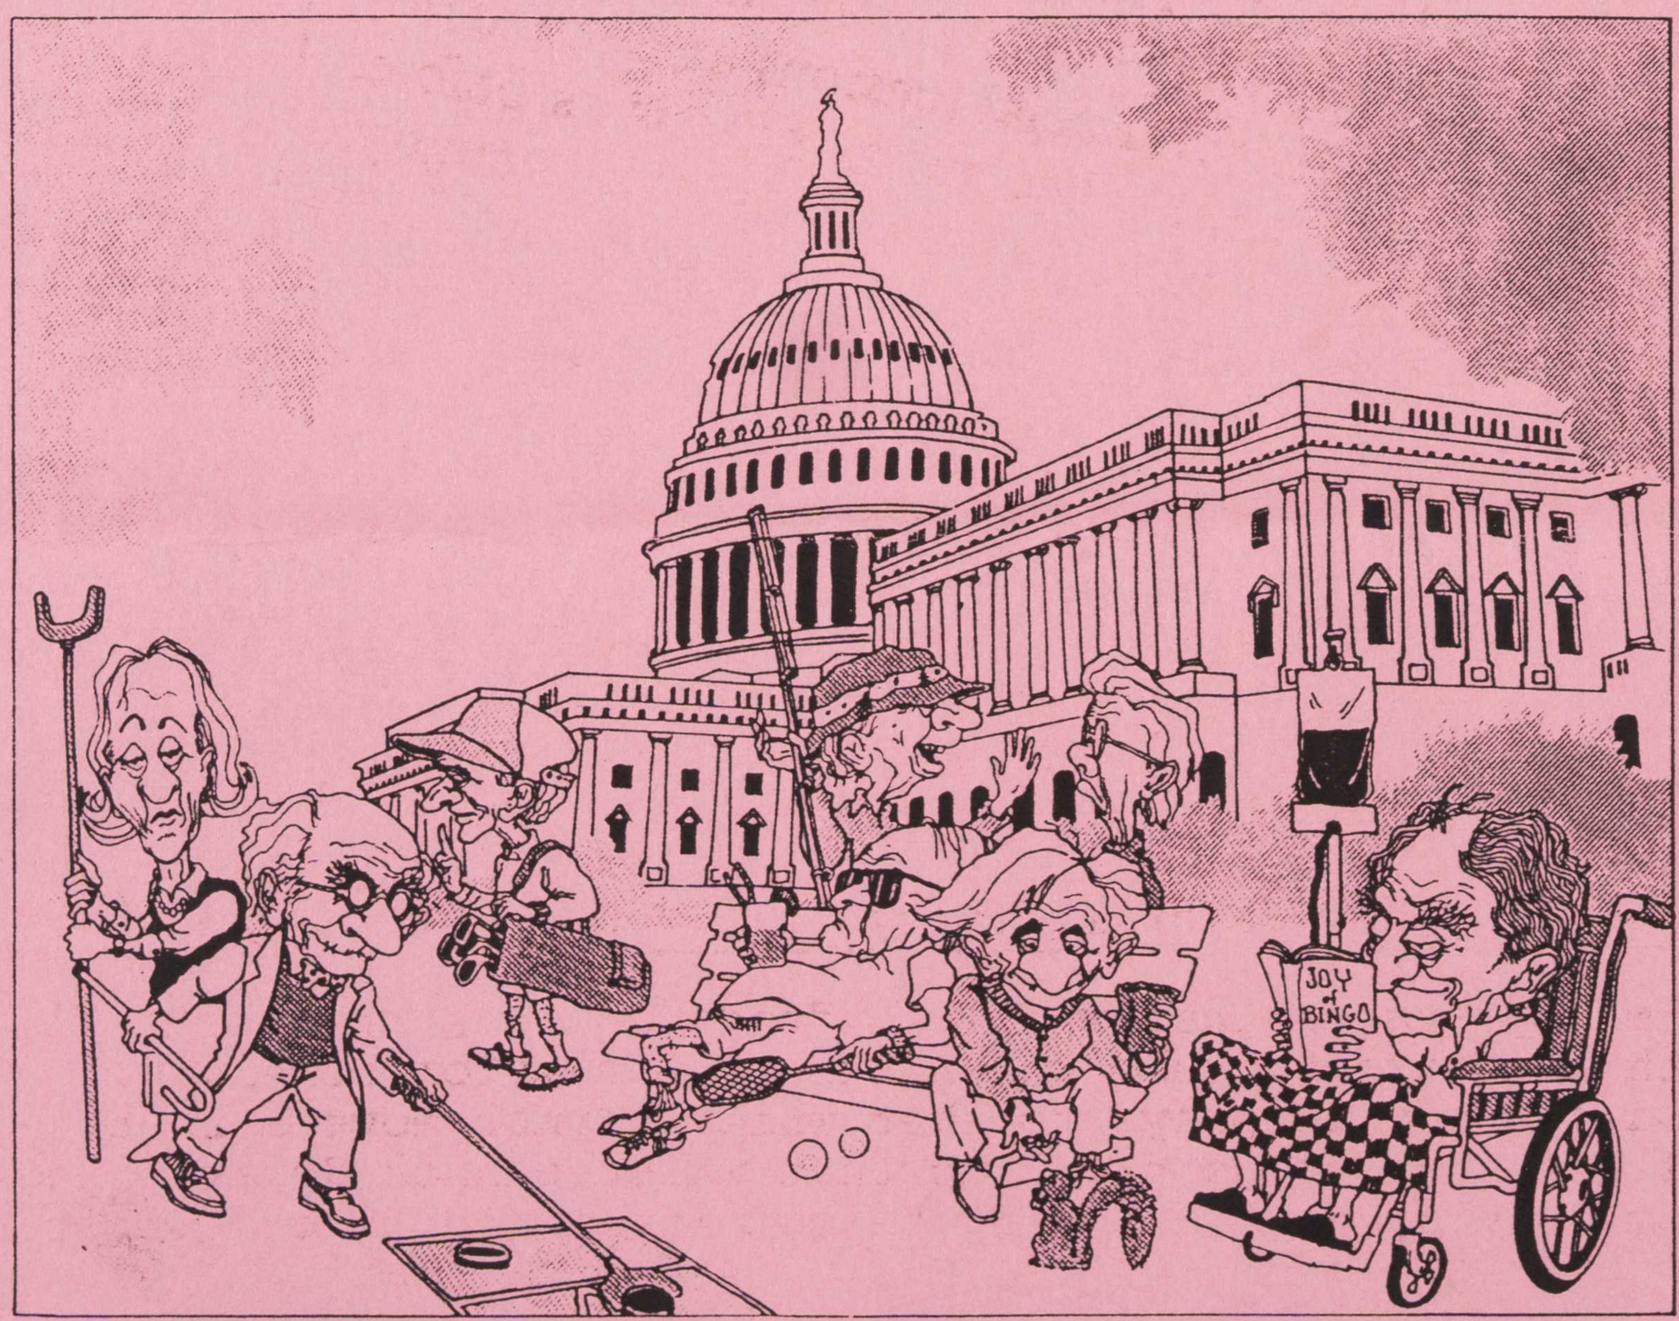
The danger in AMERICA is not that a particular class is unfit to govern. Every class is unfit to govern...

If you ever injected truth into politics---you would have no politics.
WILL ROGERS

Politics is the art of preventing people from taking part in affairs which properly concern them...

A Government big enough to give you all you want is big enough to take it all away. BARRY GOLDWATER

No Goverment has ever been beneficent when the attitude of Government is in taking care of the people. The only freedom consists in the people taking care of the Government. WOODROW WILSON



**America's Founding Fathers never envisioned the House of Representatives as a retirement home.**
