V-GDH

you the name of the man who introduced you. It's been so long ago, I'm afraid I don't recall who he was.

I'm sorry that I'm not able to be of more assistance to you, but you have my good wishes and those of the remaining teenage staff, I'm sure. Incidentally, Sharon Corman is not with our agency either, having resigned when or shortly after I did.

Good luck to you.

Sincerely,
Zara
