full FBI report under my left arm and I have a picture of him taking hold of it and pulling it out. The Lord gave us that picture.

2.Now we get the surprising report in *The New York Times,* September 8, that the whole SDI program, our defense shield that President Reagan has stood so staunchly for, is to be cut back according to these plans. In fact it may never get up there. I have sent a very strong letter on our March for Victory stationery to the President, the Secretary of Defense and the Secretary of State. The Russians are dancing over this. The FBI Report said they would do this and they are doing it.

3. The media have exposed themselves as never before, and we have felt it especially. This FBI Report, so devastating in relation to religion, has not been reported with this information in it to the country. It was put in the Congressional Record the day Gorbachev left, December 9, after signing the INF agreement. Silence in the news.

Our ICCC World Congress down in Cape Canaveral was simply blacked out on the national level, and here we have these church leaders from at least 80 nations, 64 denominations, joining us. We have 490 denominations now. We did get some local coverage in Florida.

4. The WCC had their Central Committee session in Hanover, and they observed their 40th anniversary. The Associated Press gave them U.S. national coverage. They never took in a single new church. They reduced their number from 307 to 306 because of the union of two bodies. We are dealing with this media that knows the score, and they are slanting and repressing vital information from the public.

5. Here was the 1000th anniversary of the coming of Christianity to Russia. This was covered to the fullest extent. It was held June 5 to 17, at the same time the ICCC was meeting in Cape Canaveral, Florida, June 6 to 16, with its resolutions exposing them. These were provided to the media, but there was no report out of New York, the headquarters of the Associated Press.

We had our anniversary of the ICCC, founded in Amsterdam in 1948, just ahead of the WCC. The Amsterdam papers gave us full coverage, as much as they did the WCC. They were more critical of the WCC, and one of them said it was "sick." The ICCC position in the public mind in the Netherlands has been completely reversed. There was just objective reporting of what was said and done. We went back to the English Reformed Church where the Pilgrims worshiped in 1620 and held our meeting there. The ICCC Anniversary actually received no U.S. reports!

It is our country that is sick. It is our country that is being misled and deceived with one-sided information, but here we are on the very highest level able to get the material and facts that our Christian people should have.

6. The WCC released its statistics, on which basis they assign their delegates for the next Assembly in Canberra, Australia, February 7-20, 1991. You never saw such manipulations. They now claim 75,713,020 in the United States. All we have ever counted in the past was 44 million. They only count 383,028,817 as an overall figure, while in June, when their Secretary, Emilio Casto, gave greetings to the Soviets and the churches, he spoke for "450 million Christians united in the World Council of Churches." What a deception!

We never have had such information to give to the public before, but we cannot get through. Truly, indeed, the prophet said, "My people are destroyed for lack of knowledge" (Hosea 4:6). I must not write more, but there is so much. We need financial help and plenty of it. The United States is the key to everything. Our people have the money. The entire Communist world is arrayed against us, and we are actually helping the Communists to succeed.

Light is more powerful than darkness. Will you please help us turn it on? My radio, has been with us. It has been the subject of terrific attack. But now God has given us the opportunity to speak to thousands on the TV all over North America, Alaska to Panama. Will you help us regularly? Will you look at the situation we are facing and let me get through with this vital information which we have? We are indeed a witness. It has been 15 years since our radio network was crushed by the Federal Communications Commission, and I lost over 400 stations. Now we can get to the public again. God did this, and let us not fail Him in using the opportunity He has opened for us. Thank Him, please, and rejoice with us. I need some real gifts to take care of the back, pressing summer accounts. Please!

God did this for us all! He has put us in a place where we can be used by Him, and He has the hearts of us all in His hands. Please decide what you can do and let me know and keep these gifts coming. With these developments God can do great things for us. Let us not fail Him. He is in charge and is our Saviour and Lord.

Thank you now for your response.

Gratefully,

Carl McIntire
