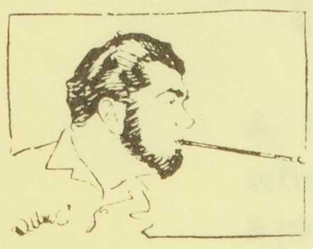
PROGRAMS AVAILABLE

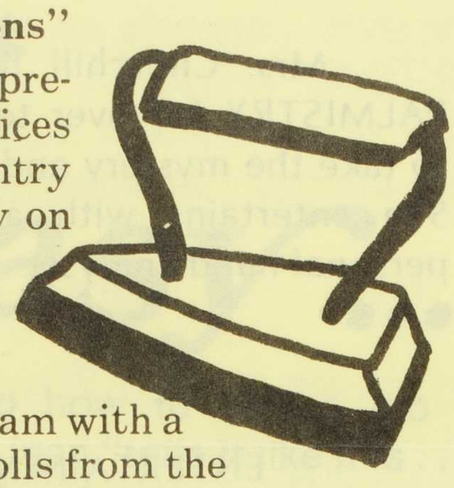
by Jimmy and Fay Rodolfos



"Mouth and foot painting artists around the world"

An interesting program with Color Slides, Lecture, and Mouthpainting demonstration by Jimmy who is an Internationally known handicapped artist.

"The use and types of antique irons"



A fascinating program with a representative selection of ironing devices from Europe, Asia, and this country will be displayed with commentary on how they were used.

"Baby dolls - Old and new"

An unusual program with a display of baby dolls from the late 1800's to the present time. Various materials used in making dolls and comments both fact and fiction will be discussed.
