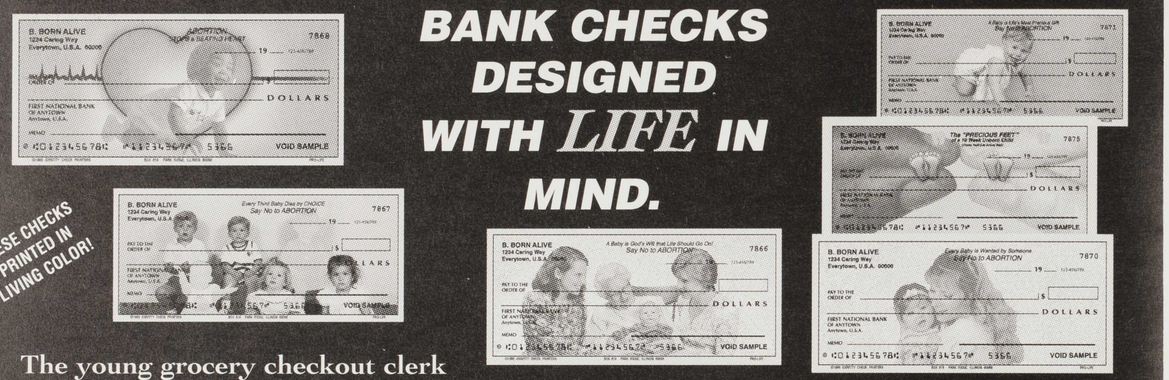
ABORTION STOPS A BEATING HEART OVER 4,000 TIMES A DAY.



BANK CHECKS DESIGNED WITH *LIFE* IN MIND.

The young grocery checkout clerk smiled as she accepted my **PRO-LIFE CHECK**. The bagger - assistant looked over her shoulder, asking to see the rest of my pictures and questioned their meaning. . .

This certainly was *A Teachable Moment!*

I have heard many stories of how people have taken notice of the Pro-Life check and it's message. I use them myself and promote them everywhere I go. By switching over to Pro-Life checks NOW, you can save babies who are in danger. Do not wait until your current supply runs out. It is better to have unused checks than unused lives.

Fr. Frank Pavone, National Director, Priests for Life.

HUMOR IS THE BAIT. . . THE MESSAGE IS THE TRUTH!!!

Double Effect: A Clash of Claims

The abortion "debate"—how best to respond—has torn pro-lifers along differing lines. Is it a moral crisis? . . . a crisis of justice? . . .or both? Dr. D. Fedoryka argues that your view will determine exactly how engage in the battle, and how you will tolerate other remedies. Fedoryka's arguments are played out later in this issue with two commentaries (see Hill & Benham) that offer strong support for the idea that discussions of the wrongness of abortion cut two very different ways.
