I still don't know the subscription rate. I will subscribe if you let me know what it is..

Apparently my last paragraph in my last letter was unclear or someone read it wrong. I would like to have issues one through eleven. You sent only #5, #8, and #10. You sent also duplicates of recent issues which I already have. I am especially interested in <u>all</u> issues you published in 1971.

Yours truly,

Grace S Hoag
