SUBJ: Arrangements for Secretary's Arrivals

1. Landing Nov 16 will be on civilian side Galeão Airport.

FonOff advised us today arrangements outlined Krebs-Cunningham letter Oct. 21 are agreeable and we are proceeding work out details with airport and Itamaraty press section.

2. We have also confirmed with Itamaraty arrangement for November 14 arrival to be on military side. We have, at FonOff request, confirmed by note Secretary Rusk's hope that protocol will be held to minimum in order avoid inconvenience to FonMin Vasco Leitão da Cunha and other officials. We will issue press statement in advance of arrival and will advise press that Secretary will ^{not} repeat not make statement but that we will have USIS photographer present to provide them with appropriate photo coverage. Our press statement will also mention fact that we have asked FonOff to hold protocol to minimum in order avoid inconvenience to FonMin and other officials.
