Mr. Harlan Harrison, Chairman,
Aliança Mirim Committee,
USAID
Amembassy, RIO.

Dear Mr. Harrison:

Prior to my arrival in Belém two weeks ago, I spent a week in Rio on consultation. Unfortunately, as three of the five days were devoted to the Principal Consular Officers Meeting, I did not have time to check with you on the Aliança Mirim Program in Amazônia.

While in Rio, however, I was informed that a special fund, to be allocated by the Consul for worthy projects (under NCR\$4,000.00), was available for Amazonia under the Aliança Mirim Program. An amount of NCR\$20,000.00 was mentioned. Since the last special fund allocation of NCR\$40,000.00 was completely exhausted by the Mr. Goelz prior to his departure, I assume the NCR\$20,000.00 is new money available for the replenishing of the Belém Consular District Special Fund, I would appreciate your advising me of the procedure to follow in obtaining this new allocation.

With best regards,

Sincerely yours,

John P. Steinmetz
American Consul
