Dear Sir,

As I intend coming to Brazil in June, I would be more than grateful if you could bring me in contact with local American firms to whom I might apply for employment, in a secretarial capacity.

I'm british, though born in Belgium, single, 39 years old, speak fluent english, portuguese, french and dutch (+ english stenography) and have been working for the past 15 years at the Portuguese Consulate General, here in Antwerp.

I quite appreciate that my request can hardly be said to fall within your province but I feel sure that I can rely on your proverbial goodwill and hope that you'll be able to give me guidance.

Thanking you in advance for your kind attention and with sincere apologies for the bother caused, I remain, dear Sir,

Yours very truly
