Brasil Barbosa, Fourth Sub-Chief Civil Household, told Emb off Sept. 26 that Darcy Ribeiro would be replaced as Chief of Civil Household week of Sept. 30 - Oct 4 by Federal Deputy Armino Marcílio Doutel de Andrade (PTB, Santa Catarina). Said also that Brig. Gen. Assis Brasil would take office as Chief Mil Household same week, no other governmental changes anticipated.

Barbosa evaluated Sept. 12 sergeants' mutiny as having been directed at Pres Goulart, admitted big question now was extent to which other sergeants elsewhere might have same ideas. However, laughed at suggestion that Goulart might have difficulties remaining in office, or that he might have sent family to Spain because he feared golpe.
