Mr. Paul H. Wackerbarth
American Consul
Av. Oswaldo Cruz 165
Belem, Para, Brazil

Dear Paul:

In todays pouch I have sent Passport for Darrell Leverm Teeter. As you can see his passport expiration was limited because of eighteenth birthday of daughter Joy. Also I have sent passport for Joy Lynn. Now that Joy Lynn has her own passport Mr. Teeter wishes to know if his passport can be extended. I forgot to ask him when will the next oldest reach eighteen. Please give me instructions as to what he should do, and I will pass them on to him in order that he can take care of the matter before next December 15.

NEED BIRTHDATE OF NEXT OLDEST

Registered

I have also sent passport applications for the Leonard Raymond Brown family. The Brown's say that they are registered with the Consulate in Belem. Their mission headquarters are in Belem. They say they came through Belem when they entered Brazil. At that time they registered with the Consulate.
