ADDRESS OFFICIAL COMMUNICATIONS TO

May 22, 1972

Dear Marshall:

Many thanks for prompt attention on the Downey passport. It gets me off the hook. I am sending it duly amended. When Barbara is eighteen she will need her own passport. Mrs. Downey's passport can be extended to April 24, 1977 once Barbara has been excluded.

Harry Grisser is departing for Jidda tomorrow in the wee small hours of the morning.

We have been requested to prepare a World Trade Directory Report on SIDERAMA. Without going to a great deal of trouble any background information you can give me will be very helpful. We are requesting information through our usual channels i.e. banks, the company itself, but if I remember your comments correctly there is more to be told about SIDERAMA than the banks or company are liable to tell us. plenty of time to do whatever is necessary.

I saw in today's Jornal do Brasil that John Richard Brady had been asked to leave Brazil.

No change on passports. Since volume was picking up due to the June rush I decided it would be better to wait until July 1 to effect the change.

My best regards.

Warmest regards,

Very truly yours,

Sincerely,

Marshall Whitlock

Dear Paul:

Many thanks for your information concerning the
Regains family. They have not been back to see me yet.

In todays pouch I have included passport for Lois
Jean Downey. She plans to travel to the U.S. only in
August so there is plenty of time to do whatever is
necessary.

I have attached to this letter a copy of cable
received from American Consulate General in Recife,
and my reply for your information.

My best regards.

Very truly yours,

Marshall Whitlock
