ADDRESS OFFICIAL COMMUNICATIONS TO

Mr. Marshall A. Whitlock
American Consular Agent
American Consular Agency
Manaus, Amazonas, Brazil

Dear Marshall: H. Wackerbarth

American Consul

Many thanks for the news on the recovered passports.

Belem, Para, Brazil

Please forward them to the Consulate in the next air pouch so that we can cancel them and advise the Department of their recovery. After they have been properly cancelled we will return them to your office for eventual delivery to the Watsons so that they can have the evidence of their permanent visas into Brazil.

During my absence, I believe, last September, Washington still hasn't forwarded a salary check for Ruy! I am forwarding a telegram today and am ever hopeful that they will get this matter straightened out. I found these two passport

this past week in the drawer of the desk used by the Consul. Apparently here all the time.

Ruy Alencar has informed me that we have received new passports. Ruy also informs that Vice Consul Grisser is aware of the details concerning the loss.

Sincerely yours,

Please instruct me as to what to do with these passports. They were both issued on May 21, 1968, and have Permanent Visa stamped.

Paul H. Wackerbarth
American Consul

Best regards.

Very truly yours,

Marshall A. Whitlock
