Mr. T. J. Lloyd, President
Amalgamated Meat Cutters and
Butcher Workmen of North America
2800 North Sheridan Road
Chicago, Illinois 60657

Dear Sir and Brother:

The Brazilian Union to Union Program undertaken by the U. S. Government in 1965 has met with much success, and the AFL-CIO is again being asked to cooperate in coordinating the counterpart host union contacts.

I ask your participation in the capacity of a host union for a Brazilian Food Processing Workers' Team due to arrive in the United States on April 8. It should be understood that no costs are involved to the host union, since the U. S. Government handles all expenses for the visiting teams.

A pre-arrival planning session has been scheduled for Monday, April 6, at 10:00 A.M., in Room 408 of the AFL-CIO Building in Washington, D. C. It would be most helpful to the Agency for International Development and the Department of Labor if you would have a representative present at this meeting, to advise them on the programming of this team.

Sincerely and fraternally,

President
