SUBJECT: Brazilian GATT Waiver

We discussed maintenance of concession on wheat today with Paulo Leao da Moura, Assistant Secretary General for Economic Affairs in Foreign Office. He said he thought there would be no difficulty in giving definite assurance that concession will be maintained, but that he not competent to make final decision. Minister of Finance, who will have to be consulted, is out of town today and tomorrow, and since GOB offices will be closed for Carnaval first half next week unlikely response can be made before late next week.
