Exchange Act of 1961: *Provided further*, That upon the favorable recommendation of the Secretary of State, pursuant to
the request of an interested United States Government agency, or of the Commissioner of Immigration and Naturalization
after he has determined that departure from the United States would impose exceptional hardship upon the alien's spouse
or child (if such spouse or child is a citizen of the United States or a lawfully resident alien), the Attorney General may
waive the requirement of such two-year foreign residence abroad in the case of any alien whose admission to the United
States is found by the Attorney General to be in the public interest: *And provided further*, That the provisions of this
