(20-54 pages; 3¾" x 7"; single copy free, quantity prices on request)

AGRICULTURE'S SACRED SEVENTH by F. A. Harper

A disagreement that national income is tied to agricultural income at the ratio 7 to 1. Farm price support precludes the free market and drives toward a monopoly. (18 pages)

** BARGAINING by Paul L. Poirot

The process of offering what is yours in exchange for what you want—the process which allows individuals to specialize and trade to their mutual advancement. (54 pages)

* CHARITY: BIBLICAL AND POLITICAL by Russell J. Clinchy

A minister finds no Christian charity in the compulsory device of governmental aid. (18 pages)

** COMBATING STATISM by Leonard E. Read

A suggested procedure for the person who wishes to "do something" about the problem of ever-increasing government. (18 pages)

** CONSCRIPTION, Part I by Daniel Webster, Part II by B. H. Liddell Hart

The philosophy and the practical results of compulsory military service. (20 pages)

** EDUCATION FOR 1984 by Arthur E. Bestor

A professor examines the trend of modern or "progressive" education. (19 pages)
