

RESPONSES TO OUR LITERATURE

Pastor Alamo,

The righteous are as bold as a lion! Hallelujah, many Christians here in the Philippines got your article on "The Pope's Secrets." Some xeroxed it and mailed them to friends, and I'm sure they received deliverance from evil teachings of men. Maybe I'll send one to our new President, Mrs. Aquino! So dear Pastor, kindly send me at least 10 please. I'll make sure they will be read by the right people concerned. God is with you and continue to wage the good fight of faith. We're with you!

Jesus is Lord over the Philippines! Sister D.S.

Dear Pastor Tony,

Warm greetings in His most precious name! I'm so thankful for your response and your literature. I received the articles March 10, 1986. It's really a blessing to be a part of your campaign for the upholding of truth. Your literature reaches to different islands in our archipelago since I've distributed it to our leaders (Christian or not) by mail.

I appreciate your dedication and courage to expose the truth about the Vatican. You know our country has just undergone a revolution. The Roman Catholic church does a tremendous job in the peaceful transition through media, propaganda and support financially. The people really believe that they (the Roman Catholic church) are a true church of God. They are so victorious in the field of deception, but as mature and alert Christians, they cannot force us to believe on that.

Your literature is so timely and relevant. May you keep us informed here through your new and updated literature. If you have ample copies of the King James Version Bible, Old and New, I would be happy to have them. I need 50 copies or more so that I can distribute it to preserve the true gospel of Christ, because I believe that there is no substitute for genuine truth.

I'm praying for the success of your work and more power to your ministry.

In Christ, L.P. from Manila, Philippines

Alamo Christian Church,

Thanks so much for sending "The Pope's Secrets" tracts that I ordered. Enclosed is a check to help with the fight! Thanks again for everything and especially your love for human souls. I'm thankful that there is a church like yours whose main goal is to win souls to the kingdom of heaven.

Sincerely, W.L. from Phoenix, Arizona
