Dear Mr. Garcia:

With reference to your note of June 6, Americans for Religious Liberty is an organization dedicated to defending religious liberty, public education, pluralism, and our constitutional principle of separation of church and state. We welcome as members all who share that purpose.

Enclosed is some of our literature. Our newsletter contains a list of other materials available from us on order.

Your state is facing a particularly trying religious liberty crisis this November. I refer to the two referenda on proposed state constitutional amendments to authorize tax support for sectarian private schools and to restrict freedom on conscience on abortion.

If you share our concerns, we would be very happy to have you as a member.

Sincerely,

Edd Doerr
Executive Director
