

This life therefore ✦
is not righteousness
but growth in righteousness ✦
not health but healing,
not being but becoming ✦
not rest but exercise.

We are not yet what we shall be ✦
but we are growing toward it,
the process is not yet finished ✦
but it is going on,
this is not the end ✦
but it is the road.

All does not yet gleam in glory ✦
but all is being purified.
