Review of Project's progress: Power Organisms, Neo-British Empire, Masonry, Empire of the City, International Bankers as Tools of the Crown, Dialectical Method, Prestige Associations. Key enemy, allied, and manipulated organisms. The ancient regimes of Christendom. Sufic Islam and Cabalist Judaism. The 3-bloc world as foretold in Orwell's 1984. World government plots: Are they sincere? Mysticism and the occult: Technology of intelligence and mass hypnosis? Primacy of Geopolitics. Secret societies and subversion as the "underbelly" geopolitical strategy.

A tentative chronology of the ruling class/conspiracy: 1485-1985! Seizing Power in Insular Albion (1485-1694) begins with King Henry VII stabilizing power in England in preparation for the anti-Catholic Tudor reigns and ends with William of Orange final ouster of Catholic power from Britain and the founding of the Bank of England. The Drive for World Domination (1694-1815) begins with British wars against Catholic France, alliance with Protestant Prussia and Northern Germany and the subversion of France through Masonry. Ends with the final defeat of Napoleon and inauguration of British-led "Concert of Europe". World Reign of the Crown (1815 to 1946) begins with formation of Pope's doomed Holy Alliance to stem Britain's implacable "World Revolution". Ends with final defeat of Germany, Britain's Frankenstein monster that, after checking the Vatican in service of Britain's infamous geopolitics, challenged the master for world domination. Neo-British Empire (1947 to Present) Begins with cloaking of British Imperialism through "decolonization" and British betrayal of her "dumb giant", America, in the Cold War. Ends with tentative prediction of new betrayal of West by British to prevent new Vatican-US, anti-Communist crusade and World Order
