Levi Strauss, which makes Levi's clothing (including jeans), Dockers clothing and Britannia clothing, is punishing the Boy Scouts of America! Here are the facts.

The Boy Scouts will not allow known homosexuals to act as scoutmasters in their local Boy Scout troops. Angry over the Boy Scouts' morally correct stand, radical homosexuals demanded that Levi Strauss cut off their donations to the Boy Scouts.

Levi Strauss, which is based in San Francisco, caved in to these extremist and bigoted demands. Levi Strauss, which over the past five years had given between \$40,000 and \$80,000 a year to the Boy Scouts of America, stopped their support of the Boy Scouts because the Boy Scouts would not allow homosexuals to act as scoutmasters.

Levi Strauss feels it is better business to support the demands of the radical homosexuals than the Boy Scouts of America.

And Levi Strauss did this despite the fact that the Boy Scouts have been sued because a homosexual scoutmaster molested some young scouts.

Molestation of young scouts by homosexual scoutmasters is a reality. Here is only one example. On March 21 the Associated Press carried this article datelined Nashville, TN:

Ex-scout leader pleads guilty to rape of 2 boys

Nashville (AP) — A former Boy Scout leader pleaded guilty to raping two members of his troop and was sentenced to 30 years in prison.

Ronald W. Rice, 56, pleaded guilty in Williamson County Circuit Court to two counts of aggravated rape involving a 13-year-old boy and a former troop member who is now 21. Rice must serve at least nine years before he is eligible for parole.

Rice was arrested March 18 after a 13-year-old boy told police Rice had been paying him for sexual favors over the last year. Police searched a building behind Rice's house and found about 600 photographic negatives of nude children in sexual acts with Rice, investigators said.
