

The Project Subscription Form

"The British Empire (Overt and Covert) is the Central Phenomenon of World History Since the Decline of the Vatican"

Yes!! I want to receive **The Project**, the executive summary of the on-going research of a private network dedicated to applying the scientific method to conspiracy theories of history. Current issues of **The Project** revolve around clarifying and testing the hypothesis that a London-centered world money cartel, in the covert service of the British Crown, dominates world affairs on multiple levels in the face of opposition from the declining Vatican, the Empire of the City of London's ancient enemy and previous world-dominating entity. **The Project** appears quarterly for political activists, investors, futurologists, students of geopolitics, students of secret societies and subversion, observers of super-rich dynasties, and others who can benefit from objective, non-partisan ruling class/conspiracy scholarship.

A-albionic Research also operates a rare and out-of-print book search service. For a \$3.00 non-refundable fee, A-albionic will submit any book title to its exclusive network of book specialists. A-albionic is most successful with super-rich biography, revisionist history, ideology, secret societies, world revolution, and occult titles. A-albionic can normally provide a firm quotation within 30-120 days, but success or low-price cannot be guaranteed. Please include author, if possible, when you submit titles for search on this form.
