Would attempt to schedule appointment with President if Minister Transportation comes to U.S. As you know, number of governors have not met with President and others have met with Dungan of White House followed by brief handshake with President. Impossible to commit Ambassador Gordon to longer stay.

Will certainly provide appropriate reception and arrange official discussions. Please advise us of firmer details of Minister's itinerary and interests, also matters you believe should be discussed with him and points to be made in connection therewith. END.
