PRIORITY

Owing to most recent complications AMFORP case, Campos has deferred return Washington until VARIG Flight arriving Thursday morning July 25. He tells me latest medical advice to Dantas is that latter also come to states for diagnosis and possible treatment, and will be on same plane. Dantas presently hesitating between New York and Washington hospitals. Campos inquired whether, if Dantas decides on Washington, he could be admitted either Walter Reed or Bethesda. I recommend favorable response if request made.
