The Summer Institute of Linguistics is presenting to President Goulart a plane called "The City of Philadelphia" which was formerly presented to Ambassador Campos in Philadelphia. The presentation ceremony is tentatively scheduled for Brasilia some time May 11-14. The institute wishes to have message from President Kennedy to be read on that occasion. Robert Schneider, Director of the institute, informed us today that he had telephoned Schlesinger in the White House last night requesting such a message and that the latter had urged that the request be transmitted through the Embassy. According to Schneider, President Kennedy sent a message on occasion of the plane's presentation in Philadelphia. We recommend that the President send special message to be read at Brasilia ceremony.
