Subject: Message to President Emilio
Garrastazu Medici from
President Nixon

We recommend that the enclosed message be approved prior to October 30 so that it can be transmitted to Ambassador Elbrick for delivery on President Medici's inauguration day.

President-elect Medici was "elected" by the Brazilian National Congress on October 25, and will be inaugurated before a joint session of Congress on October 30. In the unlikely event that the speech to be given by the President-elect on October 29 makes our reference to it inadvisable, that reference will be deleted from the message.
