

A YEAR OF INFORMATION AND CHALLENGE — 1989

The year 1989 must be a time when Christians will arise, they will be informed as never before. It opens with Dr. McIntire's ministry on TV satellite, F4, channel 14, 30 minutes, five days a week, at 12 noon to 12:30 Eastern Standard Time and corresponding time from Alaska to Panama, from Greenland to Castro's Cuba. It is possible for millions to see him, fresh, factual, challenging. This led to the text for 1989. Also the 20th Century Reformation Hour radio broadcast, started in 1955, is now expanding with a goal of 1000 stations.

On Sunday there is the TV satellite program from 8:30 to 9:30 a.m. on the West Coast and corresponding time across the continent reaching Vancouver where in 1990 the 13th World Congress of the International Council of Christian Churches will be held, August 8-17. All are asked to pray, to save funds to help, for it will be if the Lord tarries, the greatest assembly of Christian churches of the historic Christian faith ever to meet on this earth in 2000 years. It is only when people are informed, praying, giving and honoring the Lord, that this ministry enjoys their support.

The election of '88 revealed by the exit polls that it was the white Protestants that elected Mr. Bush, none of the other religions including the Roman Catholics and Jews gave the majority to Bush. This stunned the country, and it should. So the text for this year is applicable to the coming elections if America is to be kept in her heritage.

Souls are being saved and thousands are separating from the apostasy. All are listening for the shout. Gifts and legacies should be made out and sent to the CHRISTIAN BEACON and Its Ministries, 756 Haddon Ave., Collingswood, N. J. 08108.
