"Our Tenth Year"

Dear Friends and Partners:

This month we enter our tenth year of service to parents, teachers and students through the ministry of The Legal Defense Fund.

During the past nine years we have won some great victories and suffered some sad defeats. But during all those years we were doing our very best to serve the Lord and help our troubled land.

As we approach this Christmas season I want to take this opportunity to thank you for your faithfulness during the past nine years. Your financial support has been a genuine source of encouragement to me and I will never forget it.

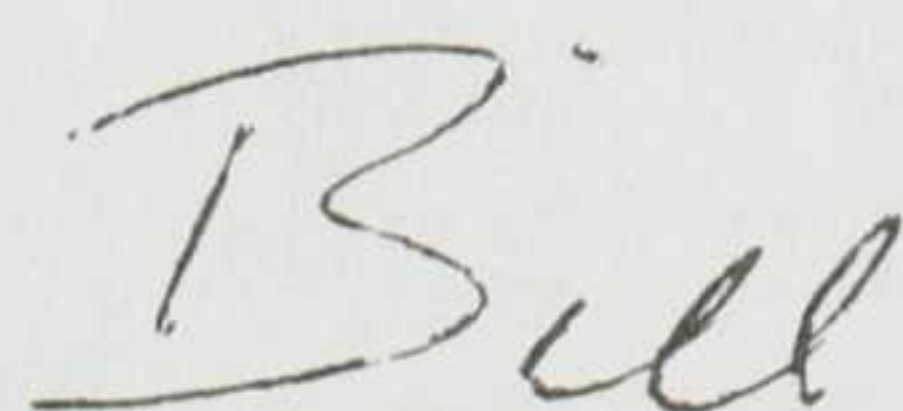

As you make our your gift list for Christmas remember the Legal Defense Fund. This is the time of year that we really count on hearing from you and a time of real financial strengthening for this organization.

Also, we have some beautiful genuine bonded leather Bibles which we want to send to everyone who makes a year-end contribution of \$100 or more. It is the King James Version and is published by Thomas Nelson Publishers. It is an outstanding Bible that would serve well as a gift or personal Bible.

Also, remember that all year-end contributions are tax deductible and giving to this ministry is an excellent way to avoid an undue tax burden.

We here wish all of you a very merry Christmas and we trust the Lord to bless you and keep you in all your ways.

Merry Christmas,

Bill Keith, President
The Legal Defense Fund
