

# HOW TO HIDE ASSETS FROM THE IRS WITHOUT BREAKING THE LAW

- **When to file for a tax refund even though they don't owe you one. (The IRS is hoping you never figure *this* one out.)**
- **Better than pay increase: Fringe benefits IRS can't tax.**
- **Easy way—sure way to improve S.A.T. college entrance scores.**
  - The two kinds of charitable contribution. One entitles you to bigger deductions than the other.
  - Best time to get standby seat on any airline.
  - How to check out a lawyer's bill. Charges you should question when you sue a lawyer for malpractice.
- When joint bank accounts aren't as good as separate ones for married couples.
- Poker strategies. How to maneuver opponents into calling your raises when you're holding all the cards. Smartest place to sit at poker table.
- Better than Swiss banks. How to open a secret account.
- Weight-loss programs where the only thing you lose is money.
- Risk of tax audit depends on what you do for a living. Is *your* current occupation on the IRS hit list?
- How to make car warranty last longer than manufacturer intended.
- How #1 stock picker spots depressed stocks that are ready to bounce back up.
- Job-hunting secrets. Best day of the week is Monday, right? *Wrong*. That's the worst day.
