

Not had time to respond? Please do so today!

If you have already responded to last month's notice, we thank you! However, many have yet to respond and for those who haven't, we'd like to give you another opportunity. We hope that you enjoy our monthly updates and that you find Gary's letter and Washington Watch useful to your efforts. We also understand that multiple publications from the same organization can sometimes lead to information overload. The Family Research Council wants to be good stewards of our mailing dime, but we want to be even better stewards of our relationship with people like you who sacrifice time and precious finances to support our work.

Won't you take a moment to help us improve our service to you by answering the following questions with a simple check-mark? (Please note that while we do hope you will respond, no financial gift is necessary to continue on our mailing list.)

Do you want to continue receiving Gary's monthly letter and *Washington Watch*?

☐ Both ☐ Gary's Letter Only ☐ Watch Only

Are there any FRC publications, other than the above, that you would like to discontinue? (*Citizen* is not an FRC publication.)
